Lists every member of the U.S. House and Senate since 1789, with brief biographical entries on each member.

CAUSES OF ACTION

CIVIL LAW AND SOCIAL JUSTICE

The Stationery Office *Civil law provides a framework within which people conduct their daily lives, and civil court cases often relate to problems that affect people's basic life opportunities and well-being. This is the 2nd edition of this publication which sets out the key findings of surveys conducted in England and Wales in 2001 and 2004, the most extensive of its kind so far, undertaken to examine people's experiences of civil law problems, including exploring social, economic and health consequences. Issues discussed include: the links between the civil justice system, crime and social exclusion, the relatively infrequent use of formal legal processes, and the obstacles that can prevent problems being resolved.*

GENDER AND CAREERS IN THE LEGAL ACADEMY

Bloomsbury Publishing *In the past fifteen years there has been a marked increase in the international scholarship relating to women in law. The lives and careers of women in legal practice and the judiciary have been extensively documented and critiqued, but the central conundrum remains: Does the presence of women make a difference? What has been largely overlooked in the literature is the position of women in the legal academy, although central to the changing culture. To remedy the oversight, an international network of scholars embarked on a comparative study, which resulted in this path-breaking book. The contributors uncover fascinating accounts of the careers of the academic pioneers as well as exploring broader theoretical issues relating to gender and culture. The provocative question as to whether the presence of women makes a difference informs each contribution.*

OFFICIAL CONGRESSIONAL DIRECTORY, 2005-2006

DIRECTORY OF RARE BOOK AND SPECIAL COLLECTIONS IN THE UK AND REPUBLIC OF IRELAND

Facet Publishing *This directory is a handy on-volume discovery tool that will allow readers to locate rare book and special collections in the British Isles. Fully updated since the second edition was published in 1997. this comprehensive and up-to-date guide encompasses collections held in libraries, archives, museums and private hands. The Directory: Provides a national overview of rare book and special collections for those interested in seeing quickly and easily what a library holds Directs researchers to the libraries most relevant for their research Assists libraries considering acquiring new special collections to assess the value of such collections beyond the institution, showing how they fit into a 'unique and distinctive' model. Each entry in the Directory provides background information on the library and its purpose, full contact details, the quantity of early printed books, information about particular subject and language strengths, information about unique works and important acquisitions, descriptions of named special collections and deposited collections. Readership: Researchers, academic liaison librarians and library managers.*

THE AALS DIRECTORY OF LAW TEACHERS

THE LAW OF CONTRACT 1670-1870

Cambridge University Press *The foundations for modern contract law were laid between 1670 and 1870. Rather than advancing a purely chronological account, this examination of the development of contract law doctrine in England during that time explores key themes in order to better understand the drivers of legal change. These themes include the relationship between lawyers and merchants, the role of equity, the place of statute, and the part played by legal literature. Developments are considered in the context of the legal system of the time and through those who were involved in litigation as lawyers, judges, jurors or litigants. It concludes that the way in which contract law developed was complex. Legal change was often uneven and slow, and some of the apparent changes had deep roots in the past. Clashes between conservative and more reformist tendencies were not uncommon.*

THE MARTINDALE-HUBBELL LAW DIRECTORY

THE WRITERS DIRECTORY 2008

POST MAGAZINE ALMANACK

THE INSURANCE DIRECTORY, REFERENCE AND YEAR BOOK

WASHINGTON STATE YEARBOOK

COMPANION TO PSYCHIATRIC STUDIES E-BOOK

Elsevier Health Sciences * 2011 BMA Book Awards - Highly Commended in Psychiatry * A new edition of a classic textbook now published for the first time with colour. Covering the entire subject area [both basic sciences and clinical practice] in an easily accessible manner, the book is ideal for psychiatry trainees, especially candidates for postgraduate psychiatry exams, and qualified psychiatrists. New edition of a classic text with a strongly evidenced-based approach to both the basic sciences and clinical psychiatry. Contains useful summary boxes to allow rapid access to complex information. Comprehensive and authoritative resource written by contributors to ensure complete accuracy and currency of information. Logical and accessible writing style gives ready access to key information. Ideal for MRCPsych candidates and qualified psychiatrists. Expanded section on psychology - including social psychology - to reflect the latest MRCPsych examination format. Discussion of capacity and its relationship to new legislation. Text updated in full to reflect the new Mental Health Acts. Relevant chapters now include discussion of core competencies and the practical skills required for the MRCPsych examination. Includes a section on the wider role of the psychiatrist - including teaching and supervision, lifelong learning, and working as part of a multidisciplinary team (including dealing with conflict, discipline and complaints). Includes new chapter on transcultural aspects of psychiatry. Enhanced discussion of the use of the best current management options, both pharmacological and psychotherapeutic, the latter including CBT (including its use in the treatment of psychosis) and group, couple and family therapy.

THINKING ABOUT CLINICAL LEGAL EDUCATION

PHILOSOPHICAL AND THEORETICAL PERSPECTIVES

Routledge *Thinking About Clinical Legal Education* provides a range of philosophical and theoretical frameworks that can serve to enrich the teaching and practice of Clinical Legal Education (CLE). CLE has become an increasingly common feature of the curriculum in law schools across the globe. However, there has been relatively little attention paid to the theoretical and philosophical dimensions of this approach. This edited collection seeks to address this gap by bringing together contributions from the clinical community, to analyse their CLE practice using the framework of a clearly articulated philosophical or theoretical approach. Contributions include insights from a range of jurisdictions including: Brazil, Canada, Croatia, Ethiopia, Israel, Spain, UK and the US. This book will be of interest to CLE academics and clinic supervisors, practitioners, and students.
