The High King's Golden Tongue [Less Than Three Press, LLC](#) Prince Allen has trained his entire life to follow in the footsteps of his illustrious mother, who has made their kingdom one of the wealthiest and most influential in the empire. For the past few years he has trained to become the new consort of the High King. The only thing no one prepared him for was the stubborn, arrogant High King himself, who declares Allen useless and throws him out of court. High King Sarrica is ruling an empire at war, and that war will grow exponentially worse if his carefully laid plans do not come to fruition. He's overwhelmed and needs help, as much as he hates to admit it, but it must be someone like his late consort: a soldier, someone who understands war, who is not unfamiliar with or afraid of the harsher elements of rule. What he doesn't need is the delicate, pretty little politician foisted on him right as everything goes wrong. The Practice Boyfriend Nobody likes Cody Matthews, including Cody Matthews. And why should they? He got his high school girlfriend pregnant and then almost killed them both while driving drunk. That's why he's perfect for Hannah. She'd never fall for someone like him. Family of Lies Sebastian [Dreamspinner Press LLC](#) Sebastian must keep a lovesick prince alive and expose a killer without revealing his magical powers or the reason he hides his appearance. Hell & High Water Action. Comedy. Romance. And that one weird guy. When homicide detective Dexter J. Daley's testimony helps send his partner away for murder, the consequences - and the media frenzy - aren't far behind. He soon finds himself sans boyfriend, sans friends, and, after an unpleasant encounter in a parking garage after the trial, he's lucky he doesn't find himself sans teeth. Dex fears he'll get transferred from the Human Police Force's Sixth Precinct, or worse, get dismissed. Instead, his adoptive father - a sergeant at the Therian-Human Intelligence Recon Defense Squadron otherwise known as the THIRDS - pulls a few strings, and Dex gets recruited as a Defense Agent. Dex is determined to get his life back on track and eager to get started in his new job. But his first meeting with Team Leader Sloane Brodie, who also happens to be his new jaguar Therian partner, turns disastrous. When the team is called to investigate the murders of three HumaniTherian activists, it soon becomes clear to Dex that getting his partner and the rest of the tightknit team to accept him will be a lot harder than catching the killer - and every bit as dangerous. The Lightning-Struck Heart [Dreamspinner Press LLC](#) "Once upon a time, in an alleyway in the slums of the City Of Lockes, a young and somewhat lonely boy named Sam Haversford turns a group of teenage douchebags into stone completely by accident. Of course, this catches the attention of a higher power, and Sam's pulled from the only world he knows to become an apprentice to the King's Wizard, Morgan of Shadows. When Sam's fourteen, he enters the Dark Woods and returns with Gary, the hornless gay unicorn, and a half-giant named Tiggy, earning the moniker Sam of Wilds. At fifteen, Sam learns what love truly is when a new knight arrives at the castle-- Knight Ryan Foxheart, the dreamiest dream to have ever been dreamed. Naturally, it all goes to hell when Ryan dates the reprehensible Prince Justin, Sam can't control his magic, a sexually aggressive dragon kidnaps the Prince, and the King sends them on an epic quest to save Ryan's boyfriend, all while Sam falls more in love with someone he can never have. Or so he thinks" -- page 4 of cover. Broken Wings [CreateSpace](#) In this erotic gay fantasy novel, Jakil LeMae arrives at Alyrwood University, the prestigious all male school for mages, vampires, faeries, and werewolves. He makes friends, enemies, and attracts the attention of a sadistic lust faerie--and it's only his first day there! His roommate, Maika, is the faerie poster-boy for the clinically depressed, and seems determined to be as unfriendly as possible, until a mutual need forces them together. Jak, a healing mage, is drawn to pain and suffering with a need to fix things, but is this broken faerie beyond fixing? Akitra is a lust faerie and Maika's only friend, and he takes an instant dislike to Jak over a perceived insult. Unfortunately for Jak, insulting a faerie can have deadly consequences. Jak's closest friends are Izeri, a weather fey who can't control the weather, and Zaiden, a goofy fire mage. The two couldn't be more different--Izeri is quiet, timid, and very hands-off, and Zaiden is loud, impulsive, and has a horny streak a mile wide--but Jak would trust either of them with his life. Also in the mix is Charias, an anti-social wereshark that Jak manages to offend, who happens to be Izeri's roommate. Caught up in a world of sex, drama, deception, and betrayal, who can Jak trust, who can he save, and who will he love? ** This book contains pervasive, explicit sexual content, M/M and M/M/M relationships, and self-harm. ** Where Death Meets the Devil Jack Reardon, former SAS soldier and current Australian Meta-State asset, has seen some messy battles. But "messy" takes on a whole new meaning when he finds himself tied to a chair in a torture shack, his cover blown wide open, all thanks to notorious killer-for-hire Ethan Blade. Blade is everything Jack doesn't believe in: remorseless, detached, lawless. Yet, Jack's only chance to survive is to strike a bargain with the devil and join forces with Blade. As they trek across a hostile desert, Jack learns that Blade is much more than a dead-eyed killer--and harder to resist than he should be. A year later, Jack is home and finally getting his life on track. Then Ethan Blade reappears and throws it all into chaos once more. It's impossible to trust the assassin, especially when his presence casts doubts on Jack's loyalty to his country, but Jack cannot ignore what Blade's return means: the mess that brought them together is far from over, and Ethan might just bring back the piece of Jack's soul he thought he'd lost forever. Merlin's Harp [Sourcebooks, Inc.](#) When I was yet a very young woman I threw my heart away. Ever since then I have lived heartless, or almost heartless, the way Humans think all Fey live. Among the towering trees of magical Avalon, where humans dare not tread, lives Nivieni, daughter of the Lady of the Lake. Her people, the Fey, are folk of the wood and avoid the violence and greed of man. But the strife of King Arthur's realm threatens even the peace of Avalon. And while Merlin the mage has been training Nivieni as his apprentice, he now needs her help to thwart the chaos devouring Camelot. Nivieni's special talents must help save a kingdom and discover the treachery of men and the beauty of love... "The story glows...a mythical tapestry that is at once completely recognizable yet utterly fresh..." -Publishers Weekly "Like The Mists of Avalon, the Arthurian legend from a woman's point of view." -USA Today "Readers will be enchanted...the characters and strands of the famous legend are skillfully woven together here." -School Library Journal "Take heed: the feminist possibilities of the Arthurian legendary cycle were not exhausted by Marion Zimmer Bradley's bestselling The Mists of Avalon... A riveting good read." -Booklist What readers are saying: "A rather unique look at the legend of King Arthur." "An exquisite addition to Arthurian literature." "The writing is lyrical; the plot twists are original. Great!" Merlin's Harp [Roc](#) A retelling of the Arthurian legend follows the desperate struggle of Nivienne, the daughter of the Lady of the Lake and Merlin's apprentice, to use her talents to save the kingdom. Reprint. Blood & Thunder Action. Comedy. Romance. And that one weird guy. When a series of bombs go off in a Therian youth center, injuring members of THIRDS Team Destructive Delta, and causing a rift between agents Dexter J. Daley and Sloane Brodie, peace seems unattainable. Especially when a new and frightening group, the Order of Adrasteia, appears to always be a step ahead. With panic and intolerance spreading and streets becoming littered with the Order's propaganda, hostility between Humans and Therians grows daily. Dex and Sloane, along with the rest of the team, are determined to take down the Order and restore peace, not to mention settle a personal score. But the deeper the team investigates the bombings, the more they believe there's a more sinister motive than a desire to shed blood and spread chaos. Discovering the frightful truth behind the Order's intent forces Sloane to confront secrets from a past he thought he'd left behind for good, a past that could not only destroy him and his career, but also the reputation of the organization that made him all he is today. Now more than ever, Dex and Sloane need each other, and, along with trust, the strength of their bond will mean the difference between justice and all-out war. Their goals justify all means, even when it comes to their own agents. Sin is the Agency's most efficient killer. His fighting skills and talent at assassination have led to him being described as a living weapon. However, he is also known to go off on unauthorized killing sprees, and his assigned partners have all wound up dead. Boyd is not afraid to die. When his mother, a high-ranking Agency official, volunteers him to be Sin's newest partner, he does not refuse. In fact, his life has been such an endless cycle of apathy and despair that he'd welcome death. In the newly revised Director's Cut of Evenfall, the first volume follows these two cast-offs as they go from strangers to partners who can only rely on each other while avoiding death, imprisonment, and dehumanization by the Agency that employs them. Fen, his heart divided between old loyalties and a new love, must make a decision which could shatter his own heart and Cai's into the bargain.Will there ever be peace and a future for these brothers of the wild North Sea? Toward Sustainable Agricultural Systems in the 21st Century [National Academies Press](#) In the last 20 years, there has been a remarkable emergence of innovations and technological advances that are generating promising changes and opportunities for sustainable agriculture, yet at the same time the agricultural sector worldwide faces numerous daunting challenges. Not only is the agricultural sector expected to produce adequate food, fiber, and feed, and contribute to biofuels to meet the needs of a rising global population, it is expected to do so under increasingly scarce natural resources and climate change. Growing awareness of the unintended impacts associated with some agricultural production practices has led to heightened societal expectations for improved environmental, community, labor, and animal welfare standards in agriculture. Toward Sustainable Agricultural Systems in the 21st Century assesses the scientific evidence for the strengths and weaknesses of different production, marketing, and policy approaches for improving and reducing the costs and unintended consequences of agricultural production. It discusses the principles underlying farming systems and practices that could improve the sustainability. It also explores how those lessons learned could be applied to agriculture in different regional and international settings, with an emphasis on sub-Saharan Africa. By focusing on a systems approach to improving the sustainability of U.S. agriculture, this book can have a profound impact on the development and implementation of sustainable farming systems. Toward Sustainable Agricultural Systems in the 21st Century serves as a valuable resource for policy makers, farmers, experts in food production and agribusiness, and federal regulatory agencies.
