After a difficult divorce, she had a new love in her life, she was raising a beloved adopted daughter, and her career was blossoming. Then she started experiencing mysterious symptoms. After months of tests, x-rays, and inconclusive diagnoses, Alice underwent a CAT scan that revealed the truth: she was six months pregnant. Finding Identity Through Directing Routledge *Finding Identity through Directing*

is a practice-led autoethnographical monograph that provides an in-depth exploration into the field of theatre directing and an individual's endless creative pursuit for belonging. The book specifically examines how a culturally displaced individual may find a sense of identity through their directing and addresses the internal struggles of belonging, acceptance and Self that are often experienced by those who have confronted cultural unhoming. The first half of the story scrutinises Dr Yekanians' own identity as an Iranian born Armenian-Australian and how she struggled with belonging growing up in a world that for the most part, was unaccepting of her differences. The second half, looks at how theatre directing, aided her (re)discovery of Self. While evidence shows that within the past decade there has been a growing interest in the vocation of theatre directing, embarking on a career within this field, while exciting, can often be a daunting and experimental vocation. *Finding Identity through Directing* questions this conundrum and specifically asks, in a competitive artistic profession that is rapidly developing, what attracts an individual to the authoritative role of the director and what are the underlying motivations of this attraction? By uncovering that there is more to the role of the director than the mere finality of a production, we can observe that the theatre is a promising setting for cultural exchanges in dialogue and for personal development. Theatre directing as the vehicle for these expansions and progressions of self can potentially address the internal struggles of identity often experienced by those who, in some form, have encountered cultural displacement. **The Magic**

The Year My Mother Came Back A Memoir Algonquin Books "A perfect book. I want to tell everyone, every mother, every daughter, to read it" (Abigail Thomas, *New York Times*-bestselling author of *A Three Dog Life*). For the first time in decades I'm remembering Mom, all of her—the wonderful and terrible things about her that I've cast out of my thoughts for so long. I'm still struggling to prevent these

memories from erupting from their subterranean depths. Trying to hold back the flood. I can't, not today. The levees break. Thirty years after her mother's death, Alice Eve Cohen starts to see her again, seemingly in the flesh, and continues to do so during the hardest year Alice has had to face: The year one daughter needs a harrowing surgery, another daughter decides to reunite with her birth mother, and she herself receives a daunting diagnosis. As it turns out, it's entirely possible for the people we've lost to come back to us when we need them the most. Though letting her mother back into her life is not easy, Alice approaches it with humor, intelligence, and honesty. What she learns is that she must revisit her childhood and allow herself to be a daughter once more in order to take care of her own girls—and forgive her mother's transgressions so she can forgive herself for her own—in this “wry, magical memoir about the transcendent power of mother-daughter love” (Elle). “Funny, painful, absurd, and heartwarming . . . Alice's own struggle to accept her imperfect self is a loving message to mothers who struggle to live life with grace. A beautiful book.” —Julie Metz, *New York Times*-bestselling author of *Perfection*

Polk & Co.'s Wisconsin State Gazetteer and Business Directory From Aphra Behn to Fun Home A Cultural History of Feminist Theater** Rowman &

Littlefield Publishers Theatre has long been considered a feminine interest for which women consistently purchase the majority of tickets, while the shows they are seeing typically are written and brought to the stage by men. Furthermore, the stories these productions tell are often about men, and the complex leading roles in these shows are written for and performed by male actors. Despite this imbalance, the feminist voice presses to be heard and has done so with more success than ever before. In *From Aphra Behn to Fun Home: A Cultural History of Feminist Theatre*, Carey Purcell traces the evolution of these important artists and productions over several centuries. After examining the roots of feminist theatre in early Greek plays and looking at occasional works produced before the twentieth century, Purcell then identifies the key players and productions that have emerged over the last several decades. This book covers the heyday of the second wave feminist movement—which saw the growth of female-centric theatre groups—and highlights the work of playwrights such as Caryl Churchill, Pam Gems, and Wendy Wasserstein. Other prominent artists discussed here include playwrights Paula Vogel Lynn and Tony-award winning directors Garry Hynes and Julie Taymor. The volume also examines diversity in contemporary feminist theatre—with discussions of such playwrights as Young Jean Lee and Lynn Nottage—and a look toward the future. Purcell explores the very nature of feminist theater—does it qualify if a play is written by a woman or does it just need to feature strong female characters?—as well as how notable activist work for feminism has played a pivotal role in theatre. An engaging survey of female artists on stage and behind the scenes, *From Aphra Behn to Fun Home* will be of interest to theatregoers and anyone interested in the invaluable contributions of women in the performing arts. **The Art of Theatrical Design Elements of Visual Composition, Methods, and Practice** Taylor & Francis *The Art of Theatrical Design: Elements of Visual Composition, Methods, and Practice, Second Edition*, contains an in-depth discussion of design elements and principles for costume, set, lighting, sound, projection, properties, and makeup designs.
