With a new baby sibling on the way, her parents fighting all the time, and her dream of culinary school suddenly up in the air, Jill starts spending more and more time with Max. And even though her father disapproves and Max still has a girlfriend, not kissing Max is easier said than done. Will Jill follow her heart, and allow their friendship to blossom into something more, or will she listen to her head and stop kissing Max Holden once and for all? Chosen by readers like you for Macmillan's young adult imprint Swoon Reads, Katy Upperman's debut novel Kissing Max Holden skillfully navigates the tenuous territory of bad influences, good friends, and complicated families.
