### **HARD TIME**

---

Penguin **In this all-new novel from the author of After Hours and Unbound, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels “Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion.”—Victoria Dahl, USA Today bestselling author “McKenna writes dark, lush, erotic romance.”—Heroes and Heartbreakers “Sweet, smoking hot, standout erotic romance.”—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes...and bring one another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.**

## AFTER HOURS

---

### (INTERMIX)

---

Penguin A "smoking hot"\* erotic romance novel that will have you up all night... Erin Coffey has been a nurse for years, but nothing's prepared her for the physical and emotional demands of her new position. Needing to move closer to her dysfunctional family, she takes a dangerous job at Larkhaven Psychiatric Hospital, where she quickly learns that she needs protection—and she meets the strong, over-confident coworker who's more than willing to provide it. Kelly Robak is the type of guy that Erin has sworn she'd never get involved with. She's seen firsthand, via her mess of a sister, what chaos guys like him can bring into a woman's life. But she finds herself drawn to him anyway, even when he shows up at her door, not eager to take no for an answer. What Erin finds even more shocking than Kelly's indecent proposal is how much she enjoys submitting to his every command. But he can't play the tough guy indefinitely. If they want to have more than just an affair, both will have to open up and reveal what they truly need. "The sweet, smoking hot, standout erotic romance you've been craving."—\*New York Times bestselling author Beth Kery

Penguin The first in a new series from the “wicked-hot”\* author of *Hard Time* and *Give It All* explores the fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games... ### **BADGER**

---

Brain Mill Press C. M. McKenna's compelling voice has earned a devoted audience and multiple awards for her erotic fiction. Her page-turning literary debut, *Badger*, disturbs and titillates with the story of a recovering pill addict whose compulsive fascination with a Boston antihero spirals out of control. Nearly twelve months sober, Adrian Birch feels like a nobody. But when her wrist is broken in a hit-and-run accident, she's avenged by the *Badger*, a secretive street vigilante. Instantly obsessed, Adrian takes to staging suicide and constructing chance meetings to get his attention. Their resulting affair is harsh and needy, wrought with McKenna's signature dark eroticism—until the connection gets out of hand and ignites the violent passions of the city. Hailed for her “evocative,” “intense,” “realistic,” and “engrossing” stories by reviewers at *Publisher's Weekly*, *USA Today*, and *Romantic Times*, McKenna now establishes

herself as a rising star in neo-noir. Badger challenges the reader to imagine how an impulsive young man is killed, offering only the perspective of the fascinating and unreliable Adrian Birch.

The strongest or the smartest, the idealist or the cynic? It's anyone's guess as teams are undercut by alliances, loyalties tendered and tested, and passions enflamed by both affection and animosity. In this contest where even knives and guns are fair game, sex may prove the most dangerous weapon of all.

## **HOW NOT TO FALL**

---

Kensington Books An “extremely intelligent, witty, nerdy, and oh-my-god over-the-top sexy” debut novel—first in a *New Adult* romance series (*Fresh Fiction*). As soon as she does, the unlikely friendship that’s developing between them can turn physical—just until Annie leaves for graduate school. Yet nothing could have prepared either Annie or Charles for chemistry like this, or for what happens when a simple exercise in mutual pleasure turns into something as exhilarating and infernally complicated as love. “The smart characters and Annie’s earnestness as a heroine are so refreshing.” —*Smart Bitches, Trashy Books*

## TIME SERVED

---

Carina Press "One of my favorite things in this book is that it doesn't pull punches... If you're looking for a gritty story with a lot of heat (and I mean a lot) and real characters, I'd definitely recommend *Time Served*."—Dear Author, recommended read Dean Barclay had nothing to do with my decision to flee my old life, but he is 100 percent of the

reason I vowed to never look back. I've never forgotten how it felt to follow Dean—dangerous, daring, determined—away from the crowd and climb into his beat-up old Trans Am. I was sixteen and gloriously alive for the first time. When I felt his hand cover my leg and move upward, it was over. I was his. Forever. Until I left. Him, my mom, and the trailer park. Without so much as a goodbye. Now Dean's back, crashing uninvited into my carefully cultivated, neat little lawyerly life. Eight years behind bars have turned him rougher and bigger—and more sexually demanding than any man I've ever met. I can't deny him anything...and that just might end up costing me everything. 101,800 words

## **MAKING HIM SWEAT**

---

Harlequin She's hitting below the belt... **Round 1** In this corner is admittedly romantic Jenna Wilinski, who's inherited a rather seedy boxing gym from her estranged father. With it, she can realize her dream of launching an upscale matchmaking business...provided she can take on the very intimidating—and wickedly hot—boxer who stands in her way! **Round 2** In the far corner is former pro boxer Mercer Rowley. He's the only one who can protect his "home"—even if it is a little run-down—from his determined and feisty little opponent. But man, once the gloves come off, his hands just want to touch her everywhere... **Round 3** This matchup is too close to call. But no matter which contender comes out on top, the other is sure to enjoy every minute of it....

## SHADOW BLADE

---

Simon and Schuster For Kira Solomon, normal was never an option. Kira's day job is as an antiquities expert, but her true calling is as a Shadowchaser. Trained from youth to be one of the most lethal Chasers in existence, Kira serves the Gilead Commission, dispatching the Fallen who sow discord and chaos. Of course, sometimes Gilead bureaucracy is as much a thorn in her side as anything the Fallen can muster against her. Right now, though, she's got a bigger problem. Someone is turning the city of Atlanta upside down in search of a millennia-old Egyptian dagger that just happens to have fallen into Kira's hands. Then there's Khefar, the dagger's true owner -- a near-immortal 4,000-year-old Nubian warrior who, Kira has to admit, looks pretty fine for his age. Joining forces is the only way to keep the weapon safe from the sinister Shadow forces, but now Kira is in deep with someone who holds more secrets than she does, the one person who knows just how treacherous this fight is. Because every step closer to destroying the enemy is a step closer to losing herself to Shadow forever....
