U.S. Master Depreciation Guide 2008

CCH CCH's U.S. Master Depreciation Guide offers tax and accounting professionals who work with businesses a one-stop resource for guidance in understanding and applying the complex depreciation rules to their fixed assets. This area is especially challenging, because bits and pieces of applicable information must be gathered from a maze of Revenue Procedures, IRS Tables and IRS Regulations. These sources are frequently old and include some materials which may be non-applicable. CCH's U.S. Master Depreciation Guide pulls the pieces together, so practitioners can make sense of all the corresponding information and put the information into practice.

Love Lifts the Heart

Xlibris Corporation This book, I have written, has helped to release all the tension I had with the obstacles I met along with the raising of this family. With the farm life and the large family, including a son with birth defects and Down's syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby's case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book will prove to be an inspiration to any and all who have the privilege of reading it.

The Complete Guide to Buying, Maintaining, and Servicing a Horse Trailer

Howell Book House Trailers are a fact of life in the horse world. Sooner or later, everyone who owns a horse will have to deal with a horse trailer in order to haul to shows, races, hunts, and perhaps even to veterinary clinics. Up to now, when horse owners wanted information on trailers they had to rely on magazine articles or word-of-mouth recommendations. Not anymore. **The Complete Guide to Buying, Maintaining, and Servicing a Horse Trailer** is the first and only book for both owners and buyers of horse trailers. It's a resource that gives prospective buyers, faced with hundreds of models to choose from, the means to make the right choice. It's a manual that gives current owners information on maintaining and caring for their trailers. Foremost, they will learn from lifelong horsewoman Neva Scheve and Thomas G. Scheve, both respected industry insiders, that the safety and comfort of the horse should

always be the primary concern. This authoritative book, with more than 175 illustrations, addresses a number of important topics, including how to: * Determine whether to buy a new or a used trailer. * Ask the right questions of the dealer or owner. * Weigh the options and select the best model for your needs. * Evaluate tow vehicles and hitches. * Master pre-trip preparations. * Care for your current trailer. * Load, drive, and use a trailer safely. * Deal with typical exterior, interior, electrical and mechanical problems. * Assess the work of repairmen if the job is more than you can handle. "Complete" is not just an idle word: this book has an appendix that gives the names and addresses of the major trailer manufacturers to contact for literature. In all, the Scheves have given horse owners everything they need to make an informed purchasing decision that will benefit themselves and their horses.

Bill Hartack

The Bittersweet Life of a Hall of Fame Jockey

McFarland Bill Hartack won the Kentucky Derby five times, and seemed to hate every moment. "If only Bill could have gotten along with people the way he got along with horses," a trainer said. His impoverished upbringing didn't help: his mother was killed in an automobile accident; the family home burned down; his father was murdered by a girlfriend; and he was estranged from his sisters for most of his life. Larry King, his friend, said it was just as well Hartack never married, because it wouldn't have lasted. Hartack was one of racing's most accomplished jockeys. But he was an inveterate grouch and gave the press a hard time. At 26, he was inducted into the Hall of Fame. Whenever the media tried to bury him, he would win another Derby. At the end of his life, he was found alone in a cabin in the Texas hinterlands. Drawn from dozens of interviews and conversations with family members, friends and enemies, this book provides a full account of Hartack's turbulent life.

Teardrops and Tiny Trailers

Gibbs Smith Buckle up as Douglas Keister takes you for a decidedly retro ride in the world of diminutive travel trailers in Teardrops and Tiny Trailers. The demand for vintage trailers-the smaller the better-has risen dramatically in recent years, with the most in-demand trailers being "teardrops," first manufactured in the 1930s and containing just indoor sleeping space and an outdoor exterior kitchen. Also profiled in the book are "canned ham" trailers, whose shape

resembles the profile of a can of ham; small-size examples of America's most beloved vintage trailer, the Airstream; miniscule gypsy caravans in Europe; and fiberglass trailers made in Canada. Two hundred color photographs showcase these trailers' sleek exteriors, retro-styled interiors, and, in many cases, the restored classic cars that tow them. *Teardrops and Tiny Trailers* includes a resource section chock-full of places to locate vintage trailers, clubs to join, and rallies to attend. Photographer/writer Douglas Keister has authored thirty-six critically acclaimed books. His books on classic recreational vehicles include *Ready to Roll*, *Silver Palaces*, and *Mobile Mansions*. In addition, he has authored twenty-five books on architecture, including *Inside the Bungalow*, *Storybook Style*, *Red Tile Style*, *Classic Cottages*, and *Cottages*. Keister also writes and illustrates magazine articles and contributes photographs and essays to dozens of magazines, newspapers, books, calendars, posters, and greeting cards worldwide. He lives in Chico, California.
