KEY=PRATCHETT - SYDNEE ANGEL

Unseen Academicals (Discworld Novel 37)

Random House 'We play and are played and the best we can hope for is to do it with style.' Football has come to the ancient city of Ankh-Morpork. And now the wizards of Unseen University must win a football match without using magic. . . . so they're in the mood for trying everything else. To do this, they recruit an unlikely group of players: Trev, a street urchin with a talent for kicking a tin can; Glenda, the night chef who makes a mean pie; Juliet, the kitchen hand turned world's greatest fashion model; and the mysterious Mr Nutt, who has something powerful, and dark, locked away inside him. . . . And the thing about football - the important thing about football - is that it is not just about football. Here we go, here we go, here we go! 'This isn't just football, it's Discworld football. Or, to borrow another phrase, it's about life, the Universe and everything' The Times 'No one mixes the fantastical and mundane to better comic effect' Daily Mail Unseen Academicals is the seventh book in the Wizards series, but you can read the Discworld novels in any order.

Tiffany Aching 4-Book Collection

A Hat Full of Sky, The Wee Free Men, Wintersmith, I Shall Wear Midnight

Harper Collins This collection includes all four Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men. Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . . A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! What Tiffany doesn't know is that an insidious, disembodied creature is pursuing her. In the end, it will take all of Tiffany's inner strength to save herself ... if it can be done at all. Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring—Spring won't come. I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with her. . . .

All the Discworld's a Stage: Volume 1

Unseen Academicals; Feet of Clay; The Rince Cycle

Bloomsbury Publishing Feet of Clay Someone is killing Lord Vetinari, Patrician of Ankh-Morpork. No one knows who, no one knows why and, worst of all, no one knows how – he just gets weaker and weaker. But it's not just Vetinari – across the city, people are being murdered, but there's no trace of anything alive having been at the crime scene. Commander Vimes, Head of the City Watch, is a man who hates 'clues'. He and his team must question everyone – the butcher, the baker, the candlestick maker. In a city teeming with vampires, werewolves, dwarfs with attitude and golems, Vimes must solve the crimes and save the Patrician. The Rince Cycle As a punishment, failed wizard Rincewind is given the task of guiding and safeguarding the Disc's first tourist, Twoflower (with his magical luggage on legs). As they travel the city and beyond, they meet the world's oldest hero, Cohen the Barbarian. With him, and with Bethan (a qualified sacrificial victim), they encounter druids, trolls, adventurers, a hairdresser and a power-crazed wizard. Oh, and Death. But not fatally. Did we mention that Rincewind also has to save the world from destruction by a huge red star that will collide with the Discworld at Hogswatch? The Rince Cycle is mostly based on The Light Fantastic, with bits of The Colour of Magic and Sourcery added for good measure. Unseen Academicals 'Two households, both alike in dignity, in fair Ankh-Morpork, where we lay our scene...' Football divides the city. Each area has its own team – and rivalry means supporters never mix. Until a Dimwell fan falls for a Dolly Sisters girl. And now an ancient bequest means the wizards of Unseen University must win a football match, without using magic. Luckily they're coached by the mysterious Mr Nutt (and no one knows anything much about Mr Nutt, not even Mr Nutt, which worries him, too). As the match approaches, four lives are entangled and changed forever. Because the thing about football – the important thing about football – is that it is not just about football.

Unseen Academicals

Bloomsbury Publishing Football has come to the ancient city of Ankh-Morpork. And now the wizards of Unseen University must win a football match, without using magic, so they're in the mood for trying everything else. The prospect of the Big Match draws in a street urchin with a wonderful talent for kicking a tin can, a maker of jolly good pies, a dim but beautiful young woman, who might just turn out to be the greatest fashion model there has ever been, and the mysterious Mr Nutt (and no one knows anything much about Mr Nutt, not even Mr Nutt, which worries him, too). As the match approaches, four lives are entangled and changed forever. Because the thing about football - the important thing about football - is that it is not just about football. Here we go! Here we go! Here we go!

Snuff

A Novel of Discworld

Harper Collins "Pratchett . . . has a satirist's instinct for the absurd and a cartoonist's eye for the telling detail." —Daily Telegraph (London) "The purely funniest English writer since Wodehouse." —Washington Post Book World Sam Vimes, watch commander of Ankh-Morpork, is at long last taking a much-needed (and well deserved) vacation. But, of course, this is Discworld®, where nothing goes as planned—and before Vimes can even change his cardboard-soled boots for vacationer's slippers, the gruff watch commander soon finds himself enmeshed in a fresh fiasco fraught with magic, cunning, daring, and (for the reader more than for poor Vimes) endless hilarity. Did he really expect time off? As Vimes himself says in Feet of Clay, "there's some magical creature called 'overtime,' only no one's even seen its footprints." Following the New York Times bestselling Unseen Academicals, Terry Pratchett delivers an enthralling new tale from a place of insuperable adventure: Discworld. Discworld® is a registered trademark.

Turtle Recall

The Discworld Companion . . So Far

Harper Collins For every Pratchett fan, the must-have fully updated guidebook to Discworld! The Discworld, as everyone knows, is a flat world balanced on the backs of four elephants which, in turn, stand on the shell of the giant star turtle, the Great A'Tuin, as it slowly swims through space. It is also a global publishing phenomenon with sales of nearly 85 million books worldwide (and counting). With 39 books in the canon, not including the various guides, maps, diaries, and other tie-in volumes, there's a lot of Discworld to keep track of—more than most fans can manage without magic. Turtle Recall is the ultimate authority on probably the most heavily populated—certainly the most hilarious—setting in fantasy literature and includes a guide to Discworld locales from Ankh-Morpork to Zemphis, as well as information to help you distinguish Achmed the Mad from Jack Zweiblum and the Agatean Empire from the Zoons. Plus much, much more. Covering everything from The Colour of Magic, the first Discworld novel, through Snuff!, Turtle Recall: The Discworld Companion . . . So Far is the most up-to-the-minute encyclopedia of Terry Pratchett's extraordinary universe available.

The World of Poo

Doubleday From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was The World of Poo. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very best leather, and other things that you never thought you would need to know, but once heard somehow lodged in your mind.'

Thud!

Random House 'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

Going Postal

Harper Collins A splendid send-up of government, the postal system, and everything that lies in between in this newest entry in Terry Pratchett's internationally bestselling Discworld series. Convicted con man and forger Moist von Lipwig is given a choice: Face the hangman's noose, or get Ankh-Morpork's ancient Post Office up and running efficiently! It was a tough decision . . . Now, the former criminal is facing really big problems. There's tons of undelivered mail. Ghosts are talking to him. One of the postmen is 18,000 years old. And you really wouldn't want to know what his new girlfriend can do with a shoe. To top it all off, shadowy characters don't want the mail moved. Instead, they want him dead—deader than all those dead letters. (And here he'd thought that all he'd have to face was rain, snow, and gloom of night . . .)

Shaking Hands With Death

Random House Why we all deserve a life worth living and a death worth dying for 'Most men don't fear death. They fear those things – the knife, the shipwreck, the illness, the bomb – which precede, by microseconds if you're lucky, and many years if you're not, the moment of death.' When Terry Pratchett was diagnosed with Alzheimer's in his fifties he was angry - not with death but with the disease that would take him there, and with the suffering disease can cause when we are not allowed to put an end to it. In this essay, broadcast to millions as the BBC Richard Dimbleby Lecture 2010 and previously only available as part of A Slip of the Keyboard, he argues for our right to choose - our right to a good life, and a good death too.

Equal Rites

(Discworld Novel 3)

Random House 'They say that a little knowledge is a dangerous thing, but it is not one half so bad as a lot of ignorance.' Everybody knows there's no such thing as a female wizard. So when the wizard Drum Billet accidentally passes on his staff of power to an eighth daughter of an eighth son, a girl called Eskarina (Esk, for short), the misogynistic world of wizardry wants nothing to do with her. Thankfully Granny Weatherwax, the Discworld's most famous witch, has plenty of experience ignoring the status quo. With Granny's help, Esk sneaks her way into the magical Unseen University and befriends apprentice wizard Simon. But power is unpredictable, and these bright young students soon find themselves in a whole new dimension of trouble. Let the battle of the sexes begin . . . 'If you've never read a Discworld novel, what's the matter with you?' Guardian 'Pratchett uses his other world to hold up a distorting mirror to our own' The Times Equal Rites is the first book in the Witches series, but you can read the Discworld novels in any order.

Dodger

Harper Collins Beloved and bestselling author Sir Terry Pratchett's Dodger, a Printz Honor Book, combines high comedy with deep wisdom in a tale of one remarkable boy's rise in a fantasy-infused Victorian London. Seventeen-year-old Dodger is content as a sewer scavenger. But he enters a new world when he rescues a young girl from a beating, and her fate impacts some of the most powerful people in England. From Dodger's encounter with the mad barber Sweeney Todd, to his meetings with the great writer Charles Dickens and the calculating politician Benjamin Disraeli, history and fantasy intertwine in a breathtaking account of adventure and mystery.

The Unseen University Challenge

Terry Pratchett's Discworld Quizbook

Hachette UK University Challenge is one of the world's top quiz shows, enjoyed by millions, both participants and observers. But Discworld fans may feel that not many questions cover the real questions in Life, for example, Who or what could be seen as the inspiration for the near-tragic accident from which nanny Ogg is saved only by a special willow-reinforced hat made for her by Mr Vernissage of Slice? And give a plausible origin for Mrs Rosie Palm, proprietor of the famous House of Negotiable Affection in the Shades. Each Faculty at the Unseen University has provided a set of questions, and answers are included for those who are not sure how the poisonous effects of quicksilver fumes are an occupational hazard of magic-users. The questions have been compiled by Mr David Langford, who knows quite as much - and arguably more - about the Discworld as its Creator, and Terry Pratchett has provided an Introduction.

Wintersmith

(Discworld Novel 35)

Random House 'Crivens!' Tiffany Aching put one foot wrong, made just one little mistake . . . And now the spirit of winter is in love with her. He gives her roses and icebergs and showers her with snowflakes, which is tough when you're thirteen, but also just a little bit . . . cool. And if Tiffany doesn't work out how to deal with him, there will never be another springtime . . . Crackling with energy and humour, Wintersmith is the third tale in a sequence about Tiffany Aching and the Wee Free Men - the Nac Mac Feegles who are determined to help Tiffany, whether she wants it or not. 'An extraordinary achievement'Books for Keeps 'A characteristically entertaining mix'Sunday Times 'One of the best and one of the funniest English authors alive' Independent

Monstrous Regiment

A&C Black A new stage adaptation of one of Pratchett's best-selling novels The Monstrous Regiment in question is made up of a vampire (reformed and off the blood, thank you), a troll, Igor (who is only too happy to sew you a new leg if you aren't too particular about previous ownership), a collection of misfits and a young woman discovers that a pair of socks shoved down her pants is a good way to open up doors in a man's army."One of the funniest English authors alive" (Independent)

The Last Continent

(Discworld Novel 22)

Random House A beautiful hardback edition of the classic Discworld novel 'Anything you do in the past changes the future. The tiniest little actions have huge consequences. You might tread on an ant now and it might entirely prevent someone from being born in the future.' There's nothing like the issue of evolution to get under the skin of academics. Even if their field of expertise is magic rather than biology. With the best and most interfering minds of Unseen University somehow left in charge at a critical evolutionary turning point, the Discworld's last continent needs a saviour... Who is this hero striding across the red desert? Sheep shearer, beer drinker, bush ranger, and someone who'll even eat a Meat Pie Floater when he's sober. In fact, it's Rincewind, a wizard so inept he can't even spell wizard. He's the only hero left. Still...no worries, eh?

The Light Fantastic

Harper Collins Terry Pratchett's profoundly irreverent novels are consistent number one bestsellers in England, where they have garnered him a revered position in the halls of parody next to Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In The Light Fantastic only one individual can save the world from a disastrous collision. Unfortunately, the hero happens to be the singularly inept wizard Rincewind, who was last seen falling off the edge of the world...

Judgment Day

Science of Discworld IV: A Novel

Anchor The wizards of Unseen University are again called upon to defend their creation, Roundworld, this time in a courtroom—where its very existence hangs in the balance. The Omnians fervently believe that the world is round, not flat, and view the discovery of Roundworld as a vindication of their faith. To leave this artifact in the hands of the wizards would be unacceptable. Not only do the academics hold that Discworld is flat, but by creating the Roundworld universe, they have elevated themselves to the level of gods. Ankh-Morpork’s venerable tyrant Lord Vetinari agrees to a tribunal, where the wizards Ridcully, Rincewind, and Ponder Stibbons can present their case—with key assistance from a Roundworld librarian named Marjorie Daw. JUDGMENT DAY weaves together explorations of such Earthly topics as big science, creation, subatomic particles, the existence of dark matter, and the psychology of belief—a treat for Discworld fans and readers of popular science alike.

Making Money

Harper Collins Prisoner-turned-postal worker Moist von Lipwig tackles a new assignment in a different branch of the government through which he is directed to oversee the printing of Ankh-Morpork’s first paper currency, a job with unexpected challenges. By the author of Going Postal. 150,000 first printing.

Rincewind the Wizzard

The Colour of Magic ; The Light Fantastic ; Sourcery ; Eric

Includes "The Colour of Magic", "The Light Fantastic", "Sourcery" and "Eric".

Guards! Guards!

Corgi —Vimes ran a practised eye over the assortment before him. It was the usual Ankh-Morpork mob in times of crisis; half of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest. Insurrection is in the air in Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city’s ramshackle Night Watch is used to this. It’s enough to drive a man to drink. Well, to drink more. But this time, something is different — the Have-Nots have found the key to a dormant, lethal weapon that even they don’t fully understand, and they’re about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up.

The Colour of Magic

Random House On A World Supported On The Back Of A Giant Turtle (Sex Unknown), A Gleeeful, Explosive, Wickedly Eccentric Expedition Sets Out. There S An Avaricious Buy Inept Wizard, A Naïve Tourist Whose Luggage Moves On Hundreds Of Dear Little Legs, Dragons Who Only Exist Ifyou Believe In Them, And Of Course The Edge Of The Planet&

Reaper Man

A Novel of Discworld

Harper Collins They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

I Shall Wear Midnight

Tiffany Aching, the young witch from 'The Wee Free Men', 'A Hat Full of Sky, and 'Wintersmith' is back in a new adventure featuring Discworld characters both familiar to fans and new. Oh, and there's a shambles, a twist through time, a cunning man and a giant man of chalk.

Interesting Times

(Discworld Novel 17)

Random House 'There is a curse. They say: may you live in interesting times . . . ' This is the worst thing you can wish on a citizen of Discworld. Especially for the magically challenged Rincewind, who has already had far too much excitement in his life. Unfortunately, the unlucky wizard always seems to end up in the middle of, well, absolutely everything. So when a request for a 'Great Wizzard' arrives from the faraway Counterweight Continent, it's obviously Rincewind who's sent. For one thing, he's the only one who spells wizard that way. Once again Rincewind is thrown headfirst into a dangerous adventure. For the oldest empire on the Disc is in turmoil and Chaos is building. And, for some reason, someone believes Rincewind will have a vital role in the coming war . . . 'Pratchett is a comic genius' Daily Express 'Funny, delightfully inventive, and refuses to lie down in its genre' Observer Interesting Times is the fifth book in the Wizards series, but you can read the Discworld novels in any order.

Wings

Random House When you're four inches high in a world full of giant people, things never go very well for long. After running into trouble at the quarry, the nomes want to go home. The problem is, 'home' is somewhere up in the stars, in some sort of Ship. Masklin must find a way to get to the 'launch' of a 'communications satellite' (whatever that is). And so begins an incredible journey, filled with peril, planes, honking geese . . . and a walking sandwich. The fantastically funny third book of the nomes, from the author of the bestselling Discworld series.

Winterbirth

Orbit An uneasy truce exists between the thanes of the True Bloods. Now, as another winter approaches, the armies of the Black Road march south, from their exile beyond the Vale of Stones. For some, war will bring a swift and violent death. Others will not hear the clash of swords or see the corpses strewn over the fields. Instead, they will see an opportunity to advance their own ambitions. But soon, all will fall under the shadow that is descending. For while the storm of battle rages, one man is following a path that will awaken a terrible power in him -- and his legacy will be written in blood.

Interesting Times

Adapted for the Stage by Stephen Briggs

A&C Black A new stage adaptation of one of Pratchett's best-selling novels The Discworld's most inept wizard has been sent from Unseen University in Ankh-Morpork to the oppressive Agatean Empire to help some well-intentioned rebels overthrow the Emperor. He's assisted by toy-rabbit-wielding rebels, an army of terracotta warriors, a tax gatherer and a group of seven very elderly barbarian heroes lead by Cohen the Barbarian. Opposing him, though, is the evil and manipulative Lord Hong and his army of 750,000 men. Oh...Rincewind is also aided by Twoflower - Discworld's first tourist and the author of a subversive book, about his visit to Ankh-Morpork, which has inspired the rebels in their struggle for freedom. The book is called "What I Did On My Holidays"."One of the funniest authors alive" Independent

Nanny Ogg's Cookbook

Random House 'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby.

The Weavers Of Saramyr

Book One of the Braided Path

Gollancz A richly textured, darkly evocative fantasy set in a beautifully realised fantasy world, the Saramyr trilogy tells the story of an empire that rules over a land being overwhelmed by evil. An evil that comes from within the empire's centre, a sect of magicians close to the throne intent on killing any child born with magical powers. But now the empress has given birth to just such a child and revolution is brewing. Akin to the works of Robin Hobb, this is a hugely involving fantasy set in a world with an enticing oriental flavour.

Guards! Guards!: The Play

Random House Terry Pratchett's infamous city of Ankh-Morpork is under threat from a 60-foot fire-breathing dragon, summoned by a secret society of malcontented tradesmen. Defending Ankh-Morpork against this threat is the entire, underpaid, undervalued City Night Watch - a drunken and world-weary Captain, a cowardly and overweight Sergeant, a small opportunistic Corporal of dubious parentage...and their newest recruit, Lance Constable Carrot, who is upright, literal, law-abiding and keen. Aiding them in their fight for truth, justice and the Ankh-Morporkian way are a small swamp dragon and the Librarian of Unseen University (who just happens to be an orang-utan).

Thud!

A Novel of Discworld

Harper Collins Once, in a gods-forsaken hellhole called Koom Valley, trolls and dwarfs met in bloody combat. Centuries later, each species still views the other with simmering animosity. Lately, the influential dwarf, Grag Hamcrusher, has been fomenting unrest among Ankh-Morpork's more diminutive citizens—a volatile situation made far worse when the pint-size provocateur is discovered bashed to death . . . with a troll club lying conveniently nearby. Commander Sam Vimes of the City Watch is aware of the importance of solving the Hamcrusher homicide without delay. (Vimes's second most-pressing responsibility, in fact, next to always being home at six p.m. sharp to read Where's My Cow? to Sam, Jr.) But more than one corpse is waiting for Vimes in the eerie, summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh-Morpork's streets. And the deadly puzzle is pulling him deep into the muck and mire of superstition, hatred, and fear—and perhaps all the way to Koom Valley itself.

Pyramids

Random House Set in the desert kingdom of Djelibeybi, Pyramids follows the adventures and, more often, misadventures of Teppic, a teenage pharaoh faced with a terror-filled world of mad high priests, sacred crocodiles, marching mummies and exploding pyramids.

Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams

Logos Verlag Berlin GmbH The doctoral thesis argues that the term Subcreation with its revised and broadened definition, in part differing from J.R.R. Tolkien's original term sub-creation, may be used for the discussion of the making of fictional worlds in literary discourse. The successful conception of a fictional world depends on the reader's willing suspension of disbelief. This depends both on the author and his skilled composition of the world and all its aspects, as well as on the reader's acceptance of this invented fictional world. The author needs to create a narrative with an inner consistency, which is crucial to achieving the effect of the reader's immersion in the fictional world. The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories: Language and Linguistic Variation, Physiopoeia, Anthropoloeia and Mythopoeia. Furthermore, this thesis shows that, as contemporary examples of fantastic literature, both Tad Williams's and Terry Pratchett's fictional worlds are successfully created through the realization of these aspects of Subcreation. Apart from commenting on the success of the subcreative process, this thesis also remarks upon the cultural influences both authors include in their writings. While both may be considered Anglophone in a general categorization, Pratchett's Discworld retains a feeling of 'Britishness' that is not to be found in Williams's Otherland. The thesis proposes several approaches to Subcreation that may be studied subsequently. So, for example, it may be possible to determine the success of an author's Subcreation by collecting empirical data. Apart from literary works this field of studies may also include other media.

Going Postal

The hilarious novel from the fantastically funny Terry Pratchett

Random House 'One of the best expressions of his unstoppable flow of comic invention' The Times _____ The post was an old thing, of course, but it was so old that it had magically become new again. Moist von Lipwig is a con artist... and a fraud and a man faced with a life choice: be hanged, or put Ankh-Morpork's ailing postal service back on its feet. It's a tough decision. The post is a creaking old institution, overshadowed by new technology. But there are people who still believe in it, and Moist must become one of them if he's going to see that the mail gets through, come rain, hail, sleet, dogs, the Post Office Workers Friendly and Benevolent Society, an evil chairman . . . and a midnight killer. Getting a date with Adora Bell Dearheart would be nice, too. So perhaps there is a shot at redemption in the mad world of the mail, waiting for a man who's prepared to push the envelope . . . _____ The Discworld novels can be read in any order but Going Postal is the first book in the Moist von Lipwig series, which also includes Raising Steam and Making Money.

Nation: The Play

Random House Following the National Theatre's success with plays based on novels by well-loved children's writers like Philip Pullman (His Dark Materials), Jamila Gavin (Coram Boy) and Michael Morpurgo (War Horse), the National now stages Mark Ravenhill's exhilarating adaptation of Terry Pratchett's witty and challenging adventure story in a major Christmas production for 2009. A parallel world, 1860. Two teenagers thrown together by a tsunami that has destroyed Mau's village and left Daphne shipwrecked on his South Pacific island, thousands of miles from home. One wears next to nothing, the other a long white dress; neither speaks the other's language; somehow they must learn to survive. As starving refugees gather, Daphne delivers a baby, milks a pig, brews beer and does battle with a mutineer. Mau fights cannibal Raiders, discovers the world is round and questions the reality of his tribe's fiercely patriarchal gods. Together they come of age, overseen by a foul-mouthed parrot, as they discard old doctrine to forge a new Nation.

Feet of Clay

Random House Someone is murdering old men, the Patrician has been poisoned, the clay workers have started committing suicide, and there is a werewolf suffering from pre-lunar tension.

The Ascendancy Veil

Book Three of the Braided Path

Gollancz The final part of the critically acclaimed Braided Path trilogy The war that is tearing apart the ancient Empire of Saramyr is reaching its apocalyptic conclusion. The Weavers have stepped from the shadows and taken control, the capital is a demon-haunted nightmare, the land ridden by pestilence. New, terrifying demons, immune to all but magic, have been unleashed on the cities and armies of the resistance movement. And the Aberrant hordes are seemingly without end. As the madness of the weavers takes hold their tactics become even more crazed and bloody, and thousands are dying on both sides. Someone must stop the weavers, someone must discover the secrets of what lies at the bottom of the massive pits they have dug across Saramyr. This is the final volume of what has proved to be one of the most original, exotic and exciting epic fantasies of the 21st century. Chris Wooding melds an extraordinary imagination with deft characterisation and a flair for gripping plots.

Terry Pratchett's Narrative Worlds

From Giant Turtles to Small Gods

Springer This book highlights the multi-dimensionality of the work of British fantasy writer and Discworld creator Terry Pratchett. Taking into account content, political commentary, and literary technique, it explores the impact of Pratchett's work on fantasy writing and genre conventions. With chapters on gender, multiculturalism, secularism, education, and relativism, Section One focuses on different characters' situatedness within Pratchett's novels and what this may tell us about the direction of his social, religious and political criticism. Section Two discusses the aesthetic form that this criticism takes, and analyses the post- and meta-modern aspects of Pratchett's writing, his use of humour, and genre adaptations and deconstructions. This is the ideal collection for any literary and cultural studies scholar, researcher or student interested in fantasy and popular culture in general, and in Terry Pratchett in particular.
