The Secret Wife [Harlequin](#) A marriage of misunderstanding Nothing could have prepared Rosie for Greek tycoon Constantine Voulos. He asked Rosie to marry him—well, he insisted: "You will go through a ceremony of marriage," he said, "and in return you will receive a big fat check and a divorce as soon as I can arrange it." Rosie agreed to the clandestine wedding because of her late father's wishes, but was anguished that Constantine had got her all wrong. The longer she spent with him, the more she knew she just couldn't be his temporary wife. There was only one thing for it—her secret would have to be told! **Forgotten Lover** [Harlequin](#) With this exciting reissue, you can relive the emotion and passion of Carole Mortimer's powerful story. Remembering his touch... Suffering from amnesia is hard enough, but when Velvet learns that she may have been unfaithful to her beloved husband, it's almost too much to handle. Striking Jerard Daniels may claim to have known her intimately, but her mind is a blank... Velvet's memory loss was triggered by her husband's death on the day their son was born. Now she remembers nothing. Could Jerard be lying? It seems unlikely, if Velvet felt as passionate about Jerard then as she does now... **NO MAN OF HER OWN** [Harlequin Comics](#) [Harlequin / SB Creative](#) Dedicated nurse Dominique visits the Romanos family in Italy right before submitting herself to a convent. Her younger sister is married to one of the Romanos boys and is in need of help. Moments after she arrives on the island where the Romanos family resides, her sister's brother-in-law, Don Presidio, welcomes her. Little does she know that her decision to dedicate herself to God for the rest of her life will be turned upside down by this difficult, intimidating and proud man. **The White Sister** **Doukakis's Apprentice** [Harlequin](#) Wanted: willing apprentice to handle incorrigible, womanizing (but incredibly sexy) tycoon... Because it's not long before Damon has whisked her off to help broker an all-important deal in Paris—where she learns that her workaholic boss can put pleasure before business... **Above the Battle An Air Observation Post Pilot at War** [Pen and Sword](#) In April 1943, a young officer arrived at Penshurst to join C Flight, 653 Squadron. He was no ordinary pilot and this was no ordinary RAF outfit. Lyell Munro was a soldier and 653 was an Air Observation Post Squadron whose pilots were Royal Artillery and whose ground crew were RAF. AOP pilots were expert gunners, skilled flyers and incurable rule breakers. Flying from airstrips just behind the front lines, without armament and often with no parachute, they controlled the fire of hundreds of guns and their enemies learnt to dread the sight of the little green Austers in the skies above the battlefield. An incautious movement, a puff of smoke or a chance flash of reflected sunlight could bring tons of high explosives raining down. They flew alone without ground control, scanning the skies constantly while they directed the guns. Closing at over 250mph, an attacking ME 109 left no time for indecision. Reactions had to be instinctive and evasive action instant. Failure was fatal. After the War ended, the survivors went back into civilian life and few histories mention them or what they did. Lyells is one of only two personal accounts that are known to exist and it is likely that there will be no more. Written for his family and his comrades in C Flight it is a story told without heroics, but with a deep affection for the men with whom he flew and worked. **And One Wore Gray Civil War Series** [Loveswept](#) In this sensual Civil War romance from Heather Graham, the scars of battle are healed by a searing desire that crosses enemy lines. Callie Michaelson knows all too well the costs of war. Her husband gave his life on the battlefield, fighting for the North. Now Callie's only defense is to hunker down and hope the war blazes right on past her Maryland farm. But when a dashing Confederate soldier falls on her land, Callie is inexplicably roused to help this desperate, surprisingly vulnerable, and heartbreakingly desirable man. After suffering the sting of defeat, Colonel Daniel Cameron wants nothing more than to heal his wounds and rejoin his retreating cavalry unit. But the look in the silver-gray eyes of the stunningly beautiful Yankee widow tells him to stay—at least for one night of passion. In Callie's bed, Daniel forgets all about the horrors he has seen. He also forgets that he is too deep in Union territory to trust any woman. And soon enough Daniel discovers that wounds of the flesh are nothing compared to wounds of the heart. Includes a special message from the editor, as well as excerpts from these Loveswept titles: *Flirting with Disaster*, *Taking Shots*, and *Long Simmering Spring*. **I Love You Like a Tomato A Novel** [Forge Books](#) I, Letticia ChiChi Maggiordino, will put to GOOD use the power of the Evil Eye... ChiChi Maggiordino will do anything to get God's attention. She will hold her breath, stand on tiptoe for an hour, walk a mile backward, climb all stairs on her knees... anything. When her grandmother teaches her how to use the Evil Eye, telling her it's how Jesus Christ made his miracles and how the Italians got rid of Mussolini, ChiChi realizes it's what her prayers have been missing. Now she can get started on the business of making her mother happier by helping her find love, and healing her brother's weak lungs. But ChiChi's family lives in Minneapolis, and it's the 1950s. For an Italian immigrant family, sometimes it seems like nothing can make life easier. ChiChi's mother still pines for her husband, a long-dead American soldier; ChiChi's brother is disdainful of her sacrifices and penance—he doesn't understand what his older sister already knows, that sometimes God needs to be bribed. When her grandmother passes away, ChiChi steps up her search for meaning and happiness, but it seems to be fruitless. And she struggles, the way so many women do, because her love for her family is

suffocating, even while it fulfills her. It's not until she meets two Italian dwarves, and they teach her of the ancient clown tradition, the commedia dell'arte, that she comes to understand that in order to make everyone else happy, she herself must be happy. But first she must find her own way in the world... and learn to accept that not even the power of the Evil Eye can keep people from changing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Bought: The Greek's Innocent Virgin A Billionaire and Virgin Romance** *Harlequin At Angelos Zouvelekis's command, café waitress Chantal will play the part of his bride-to-be. ESCUELA DE MILETO. TALES DE MILETO.** *Círculo Rojo TALES DE MILETO, matemático, astrónomo, ingeniero, comerciante, consejero político y "sabio", es considerado como un innovador revolucionario que se atrevió a prescindir de los dioses para explicar el origen del universo. Mediante el ejercicio de "pensar razonando" (significado que tomará más tarde la palabra "logos"), llegó a la conclusión de que el elemento capaz de explicar "el origen de todo" había que buscarlo en la NATURALEZA considerada como el conjunto de todo cuanto existe. El recorrido del pensamiento y del discurso de TALES DE MILETO, observando y escudriñando la naturaleza, le permitió concluir que ese elemento primordial y único, capaz de revestir formas diversas, fue el "agua", origen y constitución de todo y en lo que todo finalmente se transforma. Dado que su actividad intelectual se centró en la naturaleza, Aristóteles lo distinguió con el nombre de "físico o fisiólogo" en el sentido de estudiante de la "Physis"/Naturaleza. Este libro presenta anécdotas de la vida de TALES DE MILETO, así como sus afirmaciones sobre los orígenes y constitución de todo lo existente. Para ello, el autor utiliza los textos recopilados por Diels/Kranz en su obra DIE FRAGMENTE DER VORSOKRATIKER, traducidos y comentados con el soporte de una bibliografía que comprende más de cuatrocientas obras (griego, latín, castellano, francés, inglés, italiano) que se encuentran relacionadas y, en parte, comentadas en las últimas setenta y cinco páginas del libro.* **Whispers of Light Secrets of Scarlett Hall Book 1** *For 150 years the magnificent Scarlett Hall has stood proud. This book presents theoretical findings in this field and their practical implications, exploring the variations in time and space of meaning negotiation processes in a large variety of communicative forms, including political and judicial discourse, journalism, fiction, private letters, informal conversations, and school debates. Some articles refer to events with a strong impact on social and political life, such as the COVID-19 pandemic or Ceaușescu's trial. There is a specific focus on possible applications of some key findings of stance research in improving inter-ethnic communication and the teaching of foreign languages, as well as students' communicative abilities.* **A Handbook of Media and Communication Research Qualitative and Quantitative Methodologies** *Routledge Thoroughly revised and updated, this third edition integrates perspectives from the social sciences and the humanities, focusing on methodology as a strategic level of analysis that joins practical applications with theoretical issues.
