Walk of Shame

Loveswept USA TODAY BESTSELLER • Sparks fly between a misunderstood New York socialite and a cynical divorce lawyer in this lively standalone rom-com from the author of *Blurred Lines* and *Love Story*. Pampered heiress Georgianna Watkins has a party-girl image to maintain, but all the shopping and clubbing is starting to feel a little bit hollow—and a whole lot lonely. Though Georgie would never admit it, the highlights of her week are the mornings when she comes home at the same time as her uptight, workaholic neighbor is leaving to hit the gym and put in a long day at the office. Teasing him is the most fun Georgie's had in years—and the fuel for all her naughtiest daydreams. Celebrity divorce attorney Andrew Mulrone doesn't have much time for women, especially spoiled tabloid princesses who spend more time on Page Six than at an actual job. Although Georgie's drop-dead gorgeous, she's also everything Andrew resents: the type of girl who inherited her penthouse instead of earning it. But after Andrew caps one of their predawn sparring sessions with a surprise kiss—a kiss that's caught on camera—all of Manhattan is gossiping about whether they're a real couple. And nobody's more surprised than Andrew to find that the answer just might be yes. Praise for *Walk of Shame* "Walk of Shame is everything we have grown to love about Lauren Layne. It's fast-paced, the characters are layered, and the chemistry always smolders."—*Heroes and Heartbreakers* "I have three words to describe *Walk of Shame*: fun, fun, fun! . . . Sin; Walk of Shame

Xlibris Corporation *IN; WALK OF SHAME* is a story that I created as an adolescent about the Seven Deadly Sins and people in Hell who must find the Seven Heavenly Virtues in order to escape slavery by the Sins. They journey through the various parts of Hell in their enslavement to SIN and see the workings of all of the Sins as well as the Virtues against the Sins. This story is a precursor to other stories that I have created and hope to spread a message with, as well. I hope that the stories I create are influential to those who read them.

Cale (Walk of Shame #3)

Createspace Independent Publishing Platform *My name is Cale Kinley and I'm a fucking Virgin... Well, with the exception of my tongue. The countless things I can do with my tongue are bound to leave you breathless and begging for more, but more... is something that I can't give. It's a choice. My choice. There's a reason for that. A very good reason, and that reason is her. Riley. She's the only woman that I want to bury myself deep in. The one woman I have wanted since I was old enough to fuck. I never got my chance though, because she left. She had no choice and it stung like hell. But I couldn't let her leave without telling her how I felt. I wanted her to be my first and I didn't give a shit how long I'd have to wait. It's been six years and now she's back and sexier than all hell. Just the sight of her stops my damn heart from beating. I want her and for more than just having her as my first. I'm determined to have her in every way possible. She thinks this is still a game; that I've already given myself to countless women. What she doesn't know is that I have a lot of willpower. When I want something as badly as I want her, I don't let shit stand in my way. I'm going to prove that to her. There's just one little problem I need to take care of... Him.*

The Walk of Shame

Nova Science Pub Incorporated *The term walk of shame is deeply rooted in the idea that shame is a difficult emotion stemming from a feeling of inferiority or social discomfort, which causes a person to wish to disappear, become invisible, be swallowed up by the earth. However, sometimes exactly at such a moment of disgrace, individuals are publicly exposed to the full extent of their misery and must walk the walk of shame witnessed by family, friends and acquaintances. Shame, considered by some to have genetic origins, is an integral part of social circumstances and settings in accordance with a set of values, patterns of thought and the individuals physiological makeup. Shame is the result of familial, social and media processes. Thus the walk of shame does not take place privately behind closed doors, but on city sidewalks, in the workplace, in newspaper columns and on television and computer screens. It is not surprising, then, to discover that the tremendous power of shame has expropriated it from the individuals control in the private sphere to the public sector, creating a collective punishing mechanism whose goal is to warn against undesirable behavior. Indeed, a persons public humiliation is a form of punishment, a negative sanction leading to disgrace, debasement and mortification. This book discusses the walk of shame from a cultural perspective, focusing on contexts, strategies, images etc. that reveals the many facets of a controversial concept.*

My desires exceed more than a quick fuck with a woman that simply wants me because I'm a fantasy... a popular male entertainer with a big cock. The Baseball Hall of Shame

The Best of Blooperstown

Rowman & Littlefield From 1985 to 1992, *The Baseball Hall of Shame* series chronicled more than 100 years of baseball goofs and gaffes, selling more than 700,000 copies. Now, the authors of the most offbeat baseball books ever written are back, featuring their looniest lineup of classic stories and inducting their first new class of Hall of Shamers in twenty years. Bruce Nash and Allan Zullo cover everything from the battiest batters and craziest fielding fiascos to the dumbest ballpark promotions and screwiest fan behavior. Hall of Shamers include outfielder Lou "The Mad Russian" Novikoff, who insisted his wife taunt him from the stands because it made him a better hitter... Pitcher Burleigh Grimes, who was so mean that he threw a beanball at the on-deck hitter... Outfielder Ping Bodie, who out-ate Percy the ostrich for the spaghetti-eating championship of the world... and Babe Ruth, who wore ladies' silk stockings for good luck. Among the new inductees are Ken Griffey Jr., who put a cow in manager Lou Piniella's office to pay off a steak dinner bet... Manny Ramirez, who abandoned left field to go to the bathroom during a game... and David "Big Papi" Ortiz, whose underwear was smeared with peanut butter as payback for the pranks he pulled on teammates. Filled with more than 200 stories and packed with photos, *The Baseball Hall of Shame: The Best of Blooperstown* is the most hilarious homage to the national pastime ever assembled, and a fitting testament to the Hall's motto: "Fame and shame are part of the game."

Polk

The Man Who Transformed the Presidency and America

Random House In *Polk*, Walter R. Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment. James K. Polk occupied the White House for only four years, from 1845 to 1849, but he plotted and attained a formidable agenda: He fought for and won tariff reductions, reestablished an independent Treasury, and, most notably, brought Texas into the Union, bluffed Great Britain out of the lion's share of Oregon, and wrested California and much of the Southwest from Mexico. On reflection, these successes seem even more impressive, given the contentious political environment of the time. In this unprecedented, long-overdue warts-and-all look at Polk's life and career, we have a portrait of an expansionist president and decisive statesman who redefined the country he led, and we are reminded anew of the true meaning of presidential accomplishment and resolve.

Being Heumann Large Print Edition

An Unrepentant Memoir of a Disability Rights Activist

Beacon Press *A Publishers Weekly Best Book of the Year for Nonfiction "...an essential and engaging look at recent disability history."— Buzzfeed One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism—from the streets of Brooklyn and San Francisco to inside the halls of Washington—Being Heumann recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From fighting to attend grade school after being described as a "fire hazard" to later winning a lawsuit against the New York City school system for denying her a teacher's license because of her paralysis, Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled peoples' rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act. Candid, intimate, and irreverent, Judy Heumann's memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.*

Olive, Mabel & Me: Life and Adventures with Two Very Good Dogs

The Countryman Press *The story of Olive and Mabel, Labrador retrievers who rose to internet fame as the subjects of Andrew Cotter's BBC sports parodies. When sporting events were put on hold in March 2020, commentator Andrew Cotter shifted to working from home. The one-on-one competitors? His two Labrador retrievers, Olive and Mabel. In the hilarious videos that ensued, the dogs engage in various contests, from bone-snatching and breakfast-eating to crushing it on the dog walk, while Cotter narrates to hilarious effect. The scene of Mabel, simply standing still in a fetid pond was one of the most popular. Why? Because this is how dogs live, and Cotter captured it with humor and joy. It's why the series has been viewed more than 50 million times, entertaining dog owners, sports fans and celebrities around the world. Olive and Mabel are more than online celebrities, however, as revealed in this charming narrative. Filled with stories about how Cotter fell in love with his dogs, his passion for hiking with them through the glens and over the peaks of his native Scotland, and the ongoing relationship between Olive and Mabel (particularly the "competitive fire" lit during these days of quarantine), the memoir is by turns side-splittingly funny and thoughtfully tender. It's sure to resonate with all dog lovers.*

Good Girl

Loveswept *USA TODAY BESTSELLER • Lauren Layne brings all the unpredictable heat of Blurred Lines to an all-new cast of characters! Country music’s favorite good girl is hiding away from the world—only to find herself bunking with a guy who makes her want to be a little bad. Jenny Dawson moved to Nashville to write music, not get famous. But when her latest record goes double platinum, Jenny’s suddenly one of the town’s biggest stars—and the center of a tabloid scandal connecting her with a pop star she’s barely even met. With paparazzi tracking her every move, Jenny flees to a remote mansion in Louisiana to write her next album. The only hiccup is the unexpected presence of a brooding young caretaker named Noah, whose foul mouth and snap judgments lead to constant bickering—and serious heat. Noah really should tell Jenny that he’s Preston Noah Maxwell Walcott, the owner of the estate where the feisty country singer has made her spoiled self at home. But the charade gives Noah a much-needed break from his own troubles, and before long, their verbal sparring is indistinguishable from foreplay. But as sizzling nights give way to quiet pillow talk, Noah begins to realize that Jenny’s almost as complicated as he is. To fit into each other’s lives, they’ll need the courage to face their problems together—before the outside world catches up to them. Praise for Good Girl “I couldn’t read this fast enough! Loveswept USA TODAY BESTSELLER • A game of seduction between two best friends goes deliciously wrong in an irresistible Oxford Novel that brims with wit and sexual tension. Library Journal hails Layne's work as "exemplary contemporary romance." Brit Robbins knows that dating in New York City is hard—she just hoped to have it mastered by age thirty. But after yet another promising suitor says they have no sparks, Brit decides it's time to torch her dating game and try a new plan. And who better to coach Brit through the art of seduction than the guy who first gave her the "let's be friends" card? Hunter Cross has always figured there's nothing his best friend Brit can do to surprise him. But Brit's request is a surprise he doesn't see coming—and one he's definitely not prepared for. Tacky

Love Letters to the Worst Culture We Have to Offer

Vintage "TACKY is about the power of pop culture -- like any art, low or high -- to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fifteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we've learned to hate to love -- frosted tips and glosses, *Sex and the City*, *The Cheesecake Factory* -- into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact and its entwinement with Rax's millennial coming-of-age: an essay about the gym-tan-laundry exuberance of *Jersey Shore* morphs into an excavation of grief over the death of her father, who loved the show; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures a personal and generational experience with clarity, humor, and heartfelt honesty"--

Walking Out of Secret Shame

Conquering Shame and Codependency

8 Steps to Freeing the True You

Hazelden Publishing A nationally recognized author and codependency expert examines the roots of shame and its connection with codependent relationships. Learn how to heal from their destructive hold by implementing eight steps that will empower the real you, and lead to healthier relationships. Shame: the torment you feel when you're exposed, humiliated, or rejected; the feeling of not being good enough. It's a deeply painful and universal emotion, yet is not frequently discussed. For some, shame lurks in the unconscious, undermining self-esteem, destroying confidence, and leading to codependency. These codependent relationships—where we overlook our own needs and desires as we try to care for, protect, or please another—often cover up abuse, addiction, or other harmful behaviors. Shame and codependency feed off one another, making us feel stuck, never able to let go, move on, and become the true self we were meant to be. In *Conquering Shame and Codependency*, Darlene Lancer sheds new light on shame: how codependents' feelings and beliefs about shame affect their identity, their behavior, and how shame can corrode relationships, destroying trust and love. She then provides eight steps to heal from shame, learn to love yourself, and develop healthy relationships.
