Penguin Two creatures, the end result of experiments in genetic engineering and enhanced intelligence, escape from a government laboratory and bring either death and destruction or a touching new kind of love to those they encounter. Reprint.

THE WATCHERS IN JEWISH AND CHRISTIAN TRADITIONS

Augsburg Fortress Publishers At the origin of the Watchers tradition is the single enigmatic reference in Genesis 6 to the "sons of God" who had intercourse with human women, producing a race of giants upon the earth. That verse sparked a wealth of cosmological and theological speculation in early Judaism. Here leading scholars explore the contours of the Watchers traditions through history, tracing their development through the Enoch literature, Jubilees, and other early Jewish and Christian writings. This volume provides a lucid survey of current knowledge and interpretation of one of the most intriguing theological motifs of the Second Temple period.

FALLEN ANGELS, THE WATCHERS, AND THE ORIGINS OF EVIL

A PROBLEM OF CHOICE

Fifth Estate Incorporated Evil walked the earth when angels fell. Evil stalks us now in disembodied spirits; immortal wraiths once clothed in flesh when angel and women bred; spirits released from their fleshly prisons when their bodies were destroyed for drinking the blood of men. Evil also lives inside of the common man; set free when pride kills reason and eats integrity whole. There is evil that entraps us and evil that tugs from within. But neither have control until we choose to relent. Evil is a choice of action, of thoughts entertained too long, of arrogance pushing aside the last vestiges of compassion. Evil resides within the problem of choice. What is evil? Could it be as simple as pernicious selfishness? Could it be the drive for immediate gratification without regard for others? Man's life is limited; one hundred years or less. But, the souls of angel and watcher are eternal. Consider how much evil can be wrought through the millennia of immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of the descent of man and angels, and the evolution of evil on earth is clearly revealed.

THE WATCHERS

A GRIPPING DEBUT HORROR NOVEL

Head of Zeus Ltd An Irish horror adventure set in the unknown forests of Galway, where humans are kept under observation by screaming creatures, from debut author A. M. Shine.

THE WATCHERS

THE RISE OF AMERICA'S SURVEILLANCE STATE

Penguin Using exclusive access to key insiders, Shane Harris charts the rise of America's surveillance state over the past twenty-five years and highlights a dangerous paradox: Our government's strategy has made it harder to catch terrorists and easier to spy on the rest of us. Our surveillance state was born in the brain of Admiral John Poindexter in 1983. Poindexter, Reagan's National Security Advisor, realized that the United States might have prevented the terrorist massacre of 241 Marines in Beirut if only intelligence agencies had been able to analyze in real time data they had on the attackers. Poindexter poured government know-how and funds into his dream-a system that would sift reams of data for signs of terrorist activity. Decades later, that elusive dream still captivates Washington. After the 2001 attacks, Poindexter returned to government with a controversial program, called Total Information Awareness, to detect the next attack. Today it is a secretly funded operation that can gather personal information on every American and millions of others worldwide. But Poindexter's dream has also become America's nightmare. Despite billions of dollars spent on this digital quest since the Reagan era, we still can't discern future threats in the vast data cloud that surrounds us all. But the government can now spy on its citizens with an ease that was impossible-and illegal-just a few years ago. Drawing on unprecedented access to the people who pioneered this high-tech spycraft, Harris shows how it has shifted from the province of right-wing technocrats to a cornerstone of the Obama administration's war on terror. Harris puts us behind the scenes and in front of the screens where twenty-first-century spycraft was born. We witness Poindexter quietly working from the private sector to get government to buy in to his programs in the early nineties. We see an army major agonize as he carries out an order to delete the vast database he's gathered on possible terror cells-and on thousands of innocent Americans-months before 9/11. We follow General Mike Hayden as he persuades the Bush administration to secretly monitor Americans based on a flawed interpretation of the law. After Congress publicly bans the Total Information Awareness program in 2003, we watch as it is covertly shifted to a "black op," which protects it from public scrutiny. When the next crisis comes, our government will inevitably crack down on civil liberties, but it will be no better able to identify new dangers. This is the outcome of a dream first hatched almost three decades ago, and The Watchers is an engrossing, unnerving wake-up call.

THE WATCHERS

THE ANGELUS TRILOGY

Penguin Every hour, childlike Marc Rochat circles the Lausanne cathedral as the watchmen have done for centuries. Then one day a beautiful woman draws him out of the shadows—the angel his mother once promised him would come. But Katherine Taylor is no angel. She's one of the toughest and most resourceful call girls in Lausanne. Until something unnatural seething beneath a new client's request sends her fleeing to the sanctuary of an unlikely protector. Into their refuge comes Jay Harper. The private detective has awakened in Lausanne with no memory of how he got there—and only one thing driving him forward: a series of unsettling murders he feels compelled to solve. Pray for the three strangers. They have something in common they can't begin to imagine.

WEIGHT WATCHERS 50TH ANNIVERSARY COOKBOOK

280 DELICIOUS RECIPES FOR EVERY MEAL

Macmillan Features 250 recipes that conform to the WeightWatchers360 PointsPlus system.

THE WATCHERS

Penguin Beneath Lausanne Cathedral, in Switzerland, there is a secret buried before time began, something unknown to angels and men, until now... Marc Roachat watches over the city at night from the belfry of the cathedral. He lives in a world of shadows and "beforetimes" and imaginary beings. Katherine Taylor, call girl and daydreamer, is about to discover that her real-life fairy tale is too good to be true. Jay Harper, private detective, wakes up in a crummy hotel room with no memory. When the telephone rings and he's offered a job, he knows he has no choice but to accept. Three lives, one purpose: save what's left of paradise before all hell breaks loose.

THE WATCHERS

THE RISE OF AMERICA'S SURVEILLANCE STATE

Penguin An explosive look at the domestic agencies charged with spying on all of us Given recent terrorist events in the U.S. and the document leaks by NSA whistleblower Edward Snowden, The Watchers is more timely than ever, drawing on access to political and operational insiders to create a brilliant exposé of why and how the American government spies on its own citizens. Born in the wake of the 1983 massacre of 241 Marines in Beirut, the domestic surveillance program introduced by Ronald Reagan's national security advisor, John Poindexter, to coordinate intelligence on terrorists has claimed billions of government dollars. Despite the cost, it has failed in its mission to identify new threats. But as Harris shows, it has provided the government with a tool for the electronic surveillance of Americans that has ushered in an age of constitutionally questionable intrusion into the lives of every citizen.

BLIND WATCHERS OF THE SKY

THE PEOPLE AND IDEAS THAT SHAPED OUR VIEW OF THE UNIVERSE

How do we know that the earth travels around the sun, the universe is billions of years old, and stars are trillions of miles away? Rocky Kolb tells the fascinating story of the people and ideas that have brought us such knowledge of our planet and the universe, giving realistic portraits of astronomers like Tycho, Kepler, Galileo, Herschel and Hubble. Beginning in 1572 with Tycho's discovery that the heavens can change and ending with the Big Bang of the 20th Century, this is a hugely entertaining and witty account of the quest to discover the universe.

THE BOOK OF GIANTS

THE WATCHERS, NEPHILIM, AND THE BOOK OF ENOCH

Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined.Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text.The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

WEIGHT WATCHERS IN 20 MINUTES

John Wiley & Sons Even if your lifestyle is crazy-busy, a great meal is only a short time away with this tasty collection of the newest Weight Watchers recipes. Houghton Mifflin Weight Watchers provides a guilt-free plan to enjoy meals with friends and family. From easy weekday meals to theme nights and special occasions, these delicious recipes make eating together easy, fun, and healthy.

GOBEKLI TEPE: GENESIS OF THE GODS

THE TEMPLE OF THE WATCHERS AND THE DISCOVERY OF EDEN

Bear An exploration of the megalithic complex at Göbekli Tepe, who built it, and how it gave rise to legends regarding the foundations of civilization • Details the layout, architecture, and exquisite carvings at Göbekli Tepe • Explores how it was built as a reaction to a global cataclysm • Explains that it was the Watchers of the Book of Enoch and the Anunnaki gods of Sumerian tradition who created it • Reveals the location of the remains of the Garden of Eden in the same region Built at the end of the last ice age, the mysterious stone temple complex of Göbekli Tepe in Turkey is one of the greatest challenges to 21st century archaeology. As much as 7,000 years older than the Great Pyramid and Stonehenge, its strange buildings and rings of T-shaped monoliths--built with stones weighing from 10 to 15 tons--show a level of sophistication and artistic achievement unmatched until the rise of the great civilizations of the ancient world, Sumer, Egypt, and Babylon. Chronicling his travels to Göbekli Tepe and surrounding sites, Andrew Collins details the layout, architecture, and exquisite relief carvings of ice age animals and human forms found at this 12,000-year-old megalithic complex, now recognized as the oldest stone architecture in the world. He explores how it was built as a reaction to a global cataclysm--the Great Flood in the Bible--and explains how it served as a gateway and map to the sky-world, the place of first creation, reached via a bright star in the constellation of Cygnus. He reveals those behind its construction as the Watchers of the Book of Enoch and the Anunnaki gods of Sumerian tradition. Unveiling Göbekli Tepe's foundational role in the rise of civilization, Collins shows how it is connected to humanity's creation in the Garden of Eden and the secrets Adam passed to his son Seth, the founder of an angelic race called the Sethites. In his search for Adam's legendary Cave of Treasures, the author discovers the Garden of Eden and the remains of the Tree of Life--in the same sacred region where Göbekli Tepe is being uncovered today.

NEPHILIM STARGATES

THE YEAR 2012 AND THE RETURN OF THE WATCHERS

Anomalos Pub Llc One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the "Watchers" who spawned "Nephilim" resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? Nephilim Stargates and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. Thomas Horn is CEO of Raiders News Network, a syndicated columnist, and the bestselling author of The Ahriman Gate. He has written two other books as well as dozens of published editorials and magazine articles. His works have been referred to by writers of the LA Times Syndicate, MSNBC, Christianity Today, Coast to Coast, World Net Daily, and White House Correspondents. Thomas resides outside Portland, Oregon.

THE BOOK OF THE WATCHERS: CHRISTIAN APOCRYPHA SERIES

Lulu.com This is one of many texts that were removed from the Bible, centuries ago, and dates to around 200 BC. The narrative of the Book of the Watchers is told from the point of view of Enoch and not surprisingly focuses on a class of angels known as the Watchers. Watchers are featured in the fourth chapter of the Book of Daniel as well as some of the other apocryphal books that have Enoch's name attached to them. Included here are some opening remarks, which examine the text itself.

MOON WATCHERS

SHIRIN'S RAMADAN MIRACLE

For Muslim people around the world, Ramadan is a month-long time for prayer, fasting, and charity. This "month of blessing" is not viewed as a time of hardship but instead as a time to develop self-discipline and increase awareness of and compassion for the poor and the hungry. It is a time to deepen connection with Allah through prayer and community. For this much-anticipated month, Muslim people gather together in homes, shops, and restaurants to break their fasts and pray. Islam uses a lunar calendar, so the timing of Ramadan depends on the cycles of the moon. Ramadan lasts a lunar month: from new moon to full moon and back to new moon. Ramadan always begins on the first night of the new moon of the ninth month of the year. Because the lunar calendar's months are shorter than the solar calendar's months, Ramadan appears to "move" from year to year. As a result, fasting (no food or water) during the winter months is not quite so much a challenge as fasting during long, hot summer days. It is the custom to start the day with a pre-dawn meal called suhoor, then not eat or drink again until after the sun has set. That post-daylight meal is called iftar. Sharing these pre-dawn and post-sunset meals is an important part of community and family bonding, which is part of why Shirin feels a bit left out. Ramadan is as important to many Muslims as Christmas and Easter are to many Christians, and Passover, Yom Kippur, and Rosh Hashanah are to many Jewish people. Ramadan ends with a gift-giving celebration called Eid ul-Fitr, which means "festival of breaking

the fast."Moon Watchers could promote conversations about:Sibling rivalryMaking ethical decisionsFood, culture, and religious holidaysLessons that can be learned from the experience of fastingThe role of the lunar calendar in Islam and other religionsDiverse family traditions and practices for holidays

WATCHERS OF THE RAINBOW COVENANT

Xulon Press 1: Now it came to pass, when men began to multiply on the face of the earth, and daughters were born to them, 2: that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose. 3: And the LORD said, "My Spirit shall not strive with man forever, for he is indeed flesh; yet his days shall be one hundred and twenty years." 4: There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown. (Genesis 6: 1-4 NKJV) 13: "I saw in the visions of my head while on my bed, and there was a watcher, a holy one, coming down from heaven." (Daniel 4:13 NKJV) 17: "This decision is by the decree of the watchers, And the sentence by the word of the holy ones, In order that the living may know That the Most High rules in the kingdom of men, Gives it to whomever He will, And sets over it the lowest of men."(Daniel 4:17 NKJV) What are we to believe when we discover that what we've always thought and believed is so extraordinarily different, it's beyond our wildest imagination? Three unlikely partners become unlikely heroes; Robert, Joshua and Timothy find themselves in just such a plight. In 23rd century Los Angeles, the line that separates science from religion is about to be shattered beyond all time. Join us on a thrill ride solving one mystery after the next, each discovery more astonishing than the previous, when by the power of one courageous young couple's love, mankind's greatest discovery is revealed.

HANDBOOK FOR BUTTERFLY WATCHERS

Houghton Mifflin Harcourt This essential handbook covers where to find butterflies; how to observe and photograph them; their behavior, biology, ecology, and life histories; butterfly gardening; butterfly rearing; identification; and conservation.

THE WATCHERS

Lulu.com In the vastness of space there are the Watchers. Who are they? Where did they come from? Those are the questions the Family of Man would like to answer. The Watchers are an enigmatic race that controls the universe in ways unknown to the Family of Man. They made their presence known only a few times in the history of the Family of Man. Popping in and out of existence, they offer aid and ideas at critical times. They brought a faction of the Family of Man back to their Homeworld to recolonize and develop what they feared had been destroyed by their sun. Humanity had gained their attention when nuclear weapons had been launched in space near Jupiter, an incident that could have changed the history of the human solar system. Come along with Aiden and Stovan as they attempt to discover the truth about these entities called: The Watchers.

WEALTH WATCHERS

A SIMPLE PROGRAM TO HELP YOU SPEND LESS AND SAVE MORE

Simon and Schuster Through her journey from having it all to dealing with financial setbacks, Wood provides tools to help you organize your finances and understand which spending patterns are knocking you off-track. Ten years ago, Alice Wood was living a normal life, balancing her career, family, and finances with confidence. She knew instinctively how to handle money, until a brain injury sustained on a commercial airplane changed her life. After the injury, Alice encountered many new challenges; for the first time in her life she was overweight and in serious debt. Weight Watchers® allowed Alice to lose the weight and keep it off. Inspired by Weight Watchers'® daily discipline of journaling and the principle of group accountability, she decided to create a new and radically simple program to reclaim her financial stability. She called it Wealth Watchers. This simple program enabled her to meet her own financial goals and soon was helping thousands of others to do the same. Today, the Wealth Watchers program is an important part of the rapidly growing movement for financial literacy and empowerment sponsored by school, state, and federal government programs; corporations such as McDonald's and Visa; and several large financial institutions.

THE GOD WATCHERS

JESUS DID WHAT HE SAW HIS FATHER IN HEAVEN DOING

Destiny Image Publishers Access the blueprint that will transform your world! As the Father has sent Me, I also send you. —Jesus, John 20:21 What is God's will for my life? Christians have asked this question for centuries. In recent years, the desperate have flooded conferences, attended events, and traveled to the latest, greatest seminars in hope of answering this nagging question and bring true peace to their seeking souls. Could it be that we are looking for purpose in all the wrong places? Jesus left us with the secret to knowing God's will—and doing it. Every step of the way, He followed a model in fulfilling His purpose—He watched the Father. In Don Nori Sr.'s prolific new book, you will gain prophetic insight that shows you how to: Sharpen your spiritual eyesight and see what God is doing in the spirit realm Overcome distractions preventing you from seeing how God is moving Clearly hear what the Father is saying as you spend time in His Presence It all begins here. Model Jesus. Watch the Father. Fulfill your destiny!

THE EAGLE WATCHERS

OBSERVING AND CONSERVING RAPTORS AROUND THE WORLD

Comstock Publishing Associates Eagles have fascinated humans for millennia. For some, the glimpse of a distant eagle instantly becomes a treasured lifelong memory. Others may never encounter a wild eagle in their lifetime. This book was written by people who have dedicated years to the study of eagles, to provide an insider's view for all readers, but especially those who have never been up close and personal with these magnificent yet often misunderstood creatures. In their stories, twenty-nine leading eagle researchers share their remarkable field experiences, providing personal narratives that don't feature in their scientific publications. They tell of their fear at being stalked by grizzly bears, their surprise at being followed by the secret police, their embarrassment when accidentally firing mortar rockets over a school gymnasium, and their sense of awe at tracking eagles via satellite. The reader experiences the cultural shock of being guest of honor at a circumcision ceremony, the absurdity of sharing an aquatic car with the Khmer Rouge, and the sense of foreboding at being press-ganged into a frenzied tribal death march through the jungle. The Eagle Watchers covers twenty-four species on six continents, from well known (bald eagle; golden eagle), to obscure (black-and-chestnut eagle; New Guinea harpy eagle), and from common (African fish eagle) to critically endangered (Philippine eagle; Madagascar fish eagle). The diverse experiences vividly described in this book reveal the passion, dedication, and sense of adventure shared by those who study these majestic birds and strive for their conservation. Featuring stunning color photographs of the eagles, information on raptor conservation, a global list of all eagle species with ranges and conservation status, and a color map of the sites visited in the book, The Eagle Watchers will appeal to birders, conservationists, and adventure travelers alike. To further support the conservation programs described in this book, all royalties are being donated to two leading nonprofit organizations for raptor conservation training and fieldwork: Hawk Mountain Sanctuary Intern Program and the National Birds of Prey Trust.

A HANDBOOK FOR FIRE WATCHERS

WEIGHT WATCHERS ALL-TIME FAVORITES

OVER 200 BEST-EVER RECIPES FROM THE WEIGHT WATCHERS TEST KITCHENS

gathering with friends.

THE JUDGMENTS OF THE WATCHERS

Christian Faith Publishing, Inc. The author of this book was driven by a vision that God so impressed upon him, that he was compelled to understand its interpretation and purpose. Contained herein, is a detailed account of the ancient Watchers, during the early times of earth's co-habitation with mankind. As such, we are finally given a meticulously clear account of the origin of not simply the sin nature, but the vehicle of the perversion and wickedness that we have inherited in our lives today. By way of a rebellion that was diabolical in nature, this wickedness was brought to the earthly plane, by a group of fallen angels from the angelic realm, who in their righteous state, were called Holy Watchers. These angelic hosts were created by God Himself, to act as protectors and guardians of mankind, in accordance with the Creator's purpose; however, there was a group of these Watchers (fallen angels) who left their heavenly abode, and their responsibility for which they were created, as protectorates for humanity, and were driven from Heaven by their own compulsion of lust for the beautiful women of the earth. The result has been catastrophic to mankind! The offspring of these "fallen angels" became the Giants in the land; the Nephilim, who brought forth such a vile and perverse nature of evil into the earth that God, the Father of Creation, was forced to bring His judgments upon the evil Watchers and their offspring. In the meantime, (even since the flood), the effect of this rebellious nature upon the earth, has been to defile mankind and everything aligned with goodness and truth . . . And mankind is still contending with this evil to this day.

GOD'S COURT AND COURTIER IN THE BOOK OF THE WATCHERS

RE-INTERPRETING HEAVEN IN 1 ENOCH 1-36

Wipf and Stock Publishers First Enoch is an ancient Judean work that inaugurated the genre of apocalypse. Chapters 1-36 tell the story of the descent of angels called "Watchers" from heaven to earth to marry human women before the time of the flood, the chaos that ensued, and God's response. They also relate the journeying of the righteous scribe Enoch through the cosmos, guided by angels. Heaven, including the place and those who dwell there (God, the angels, and Enoch), plays a central role in the narrative. But how should heaven be understood? Existing scholarship, which presupposes "Judaism" as the appropriate framework, views the Enochic heaven as reflecting the temple in Jerusalem, with God's house replicating its architecture and the angels and Enoch functioning like priests. Yet recent research shows the Judeans constituted an ethnic group, and this view encourages a fresh examination of 1 Enoch 1-36. The actual model for heaven proves to be a king in his court surrounded by his courtiers. The major textual features are explicable in this perspective, whereas the temple-and-priests model is unconvincing. The author was a member of a nontemple, scribal group in Judea that possessed distinctive astronomical knowledge, promoted Enoch as its exemplar, and was involved in the wider sociopolitical world of their time.

DECREE OF THE WATCHERS

VERDICT FROM ANOTHER DIMENSION

iUniverse In a universe where nearly everyone ponders the meaning of their existence and believes humanity is alone in this reality, powerful inorganic beings from a mysterious realm outside time and space observe and make judgments that affect the course of human history in accordance with specific destinies. A man who has been stalked by evil since childhood is living within a dark world; bound by an unseen enemy, the Adversary, and hopelessly trapped in a prison inside his own mind. Adam is unaware of his special destiny and that Watchers observe and guide events on Earth and elsewhere to provide him an opportunity to freely choose to fulfill his purpose or follow a different path. Though the Watchers give meaning to his otherwise meaningless suffering, only time will tell which path Adam will choose. Will he choose his destiny and defeat his adversary or will he surrender and join him on the Dark Path? Decree of the Watchers shares the tale of one mans journey to fulfill his extraordinary purpose with unseen help from powerful inorganic beings from another dimension.

THE WATCHERS' WAR

BOOK ONE OF THE SWORD OF THE WATCH

iUniverse Something is preying upon the monks of Rion. Broeden is an ancient and dark wizard who seeks their holy relic, the Sword of the Watch, to bestow upon him the gift of immortality. When the mighty Rion guards find themselves powerless to stop him, their leaders hatch a desperate plan to embrace dark magic with catastrophic results. As the Watchers battle to control the forces they've unleashed, the world of Erathe is thrown into chaos. Now the only hope for humanity is the resurrection of a sword-bearer, Evliit. Visit SwordoftheWatch.com and join [Facebook.com/sotwfan](https://www.facebook.com/sotwfan). The Sword of the Watch is told in three books: The Watchers' War, The Rise of the Western Kingdom, and The Fall of Daoradh.

LAST STOP

Open Road Media To find his missing father, a young boy must cross over to another dimension It's been six months since David Moore's father disappeared. After months of strange behavior—baby talk, forgetfulness—he simply vanished forever. The Public Guardians searched Franklin City, but they couldn't turn up a single clue. David is beginning to give up hope when his subrail train stops between stations at the abandoned Granite Street platform. On the other side of the glass he sees a crowd of people. In the middle is his father, waving. When a psychic suggests that David may have the power to see into another dimension, he and his friends scour the city in search of a portal to the other side. To learn if his father is alive or dead, David will need to discover the secrets of the abandoned station. Last Stop was selected by the American Library Association as a 1999 Best Book for Reluctant Young Adult Readers. This ebook features an illustrated biography of Peter Lerangis including rare photos and never-before-seen documents from the author's personal collection.

REVELATIONS OF THE WATCHERS

THE UNFOLDING DESTINY OF THE REBEL ANGELS

Simon and Schuster • Explains how the new Atlantis was rebuilt using ancient Lemurian construction techniques and how Poseidon was put in charge by nefarious Prince Caligastia • Explores the rise of shamanism, the hidden history of Akhenaten, and the privileged role of the Yazidi people in the spiritual evolution of the planet • Exposes how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation During the angelic rebellion 203,000 years ago, which led to the quarantine of Earth and 36 other planets from the Multiverse, Georgia, an angel of Seraphic status, aligned herself with Lucifer and the rebel angels. After the rebellion, Georgia was permitted to remain on this planet and become a Watcher. Writing together with Timothy Wyllie, in this book Georgia provides her personal account of Earth during the second rise of Atlantis. Georgia explains how the new Atlantis was home to the few surviving Lemurians and was rebuilt using ancient Lemurian construction techniques. She reveals how Prince Caligastia put Poseidon in charge of the new Atlantis in order to keep him from interfering with the Prince's imposition of monotheism in southern Palestine. She explores the rise of shamanism through the entheogenic use of power plants -- first on the Islands of Mu, then in the Nile Valley, and later among the Aborigines of Australia. She also looks at the hidden history of Pharaoh Akhenaten and the privileged role of the Yazidi people in the spiritual evolution of the planet--and how even today the attempts to extinguish their culture is the work of Caligastia's agents. Interwoven with Georgia's narrative of Earth's ancient history are her observations of Timothy Wyllie's current and previous lives, including his involvement with the Process Church, his struggle to leave it, and his spiritual activities after he left. Through her revelations, Georgia exposes the supreme significance of Earth in the larger Multiverse and how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. Georgia shares her words, in part, to awaken the 100 million rebel angels currently living their human lives. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of consciousness as the rebel-held planets, including Earth, are welcomed back into the Multiverse.
