THE IDENTITY OF THE NEW TESTAMENT TEXT IV

Clube de Autores There are over 5,000 known Greek manuscripts of the New Testament, over half of which are continuous text copies, the rest being lectionaries. They range in size from a scrap with parts of two verses to complete New Testaments. They range in date from the second century to the sixteenth. They come from all over the Mediterranean world. They contain several hundred thousand variant readings (differences in the text). The vast majority of these are misspellings or other obvious errors due to carelessness or ignorance on the part of the copyists—such are not proper variant readings and may be ignored. However, many thousands of variants remain which need to be evaluated as we seek to identify the precise original wording of the Text. How best to go about such a project? This book seeks to provide an answer.

ALMOST GONE

TWENTY-FIVE DAYS AND ONE CHANCE TO SAVE OUR DAUGHTER

Simon and Schuster *The harrowing true story of a high-school senior, her parents, her secret online relationship with a handsome, manipulative stranger, and her well-laid plan to leave home and country to marry a man in Kosovo she thought she loved. The Baldwins were a strong, tight-knit family living in Texas. When their seventeen-year-old daughter, Mackenzie, met Aadam in an online chat room, she fell for his good looks, his charm, and his respectful conversation. He lived in Kosovo, and they began talking regularly. The more attached Mackenzie became to Aadam, the more detached she became from her family. Mackenzie's parents, John and Stephanie Baldwin, had no clue there was a man behind their daughter's sudden change in personality, her surprising interest in Islam, and her withdrawal from friends and family. When Mackenzie's attachment to Aadam increased and they became "engaged," Mackenzie started making plans to fly secretly to Kosovo and marry Aadam. But twenty-five days before Mackenzie was scheduled to leave the country, three friends in whom Mackenzie had confided told Mackenzie's father. Through the help of their pastor, John Baldwin contacted the FBI and asked for help. The FBI did not believe Aadam was involved with ISIS or that he was trying to radicalize her, but they were concerned about Aadam's intentions, as that part of Kosovo was known for sex-trafficking and money scams. With just 72 hours left before Mackenzie's planned departure, three FBI agents confronted her and urged her to stay. Told from the viewpoint of both father and daughter, *Almost Gone* allows us to walk with this family through Mackenzie's network of lies and deceit and John and Stephanie's escalating bewilderment and alarm. More than a cautionary tale, this is the story of unconditional parental love and unwavering faith, and how God helped a family save their daughter from a relationship that jeopardized not only her happiness, but also her safety.*

MAKING MERCHANDISE OF YOU

WestBow Press *Why are we short on honest holy men in the ministries in this generation? Is it the will of God for the believers in Christ to seek after riches? The truth is, God wants us to be happy. He said to Moses "Happy are thou, O Israel who is like unto thee, O people saved by the Lord the shield of thy help and who is the sword of thy Excellency! And thy enemies are found to be liars unto thee, and thou shalt tread upon their high places" Deuteronomy: 33:29 (KJV). God is the source of our happiness. We have all heard the testimonies of miraculous financial blessing. Can we trust them? Why are few financially delivered and many are not? Why are not all Christians rich? I humbly recommend this book to pastors and ministers and all Christian workers to find peace and joy and contentment as they deal with financial stewardship.*

THE ANTICHRIST WHOM CHRIST DECLARED

A BIBLICAL STUDY OF WHOM JESUS CHRIST CONSIDERED THE ANTICHRIST TO BE, AND ITS IMPLICATIONS FOR TODAY'S WORLD

Trafford Publishing THE ANTICHRIST WHOM CHRIST DECLARED A Different Perspective Unlike other the antichrist is exposé this book uses the words, teachings, and actions of Jesus Christ to document whom He proclaimed the antichrist to be. The antichrist whom Jesus Christ actually actively opposed in word and deed. It confirms this reality using Biblical Scripture and the events of history, even as it focuses upon the present to reveal the antichrist and his wide-ranging scope of satanic actions in today's world here and now. TOPICS INCLUDE How Christianity and by inference, other religions too, unknowingly promote the vile evils seen in today's world. How Belief, Faith, and the Holy Bible, are cunningly used to justify and support evil, often utilizing the unwitting, and sometimes willing support of believers and the church. The satanic rationales behind terrorism, environmental destruction and toxic pollution, as well as the ongoing periodic economic crisis, and those who profit from these deliberate satanic deeds. How the media justifies and promotes evil, including by so-called religious values that brings evil into being, then perpetuates it. Non-Christian readers will find this book meaningful and useful. Like Christians, they can use it to identify and counter those who accidentally or deliberately use Jesus Christ and the Holy Bible to abuse religion and promote evils satanic agenda.

REDEFINING GLOBAL STRATEGY, WITH A NEW PREFACE

CROSSING BORDERS IN A WORLD WHERE DIFFERENCES STILL MATTER

Harvard Business Press New Tools for Succeeding Globally Why do so many global strategies fail--despite companies' powerful brands and other border-crossing advantages? Because a one-size-fits-all strategy no longer stands a chance. When firms believe in the illusions of a "flat" world and the death of distance, they charge across borders as if the globe were one seamless marketplace. But cross-border differences are larger than we assume. Most economic activity--including trade, real and financial investment, tourism, and communication--happens locally, not internationally. In this "semiglobalized" approach, companies can cross borders more profitably by basing their strategies on the geopolitical differences that matter; they must identify the barriers their strategies will have to overcome, and they must build bridges to cross those barriers. Based on rigorous research, Pankaj Ghemawat shows how to create successful strategies and provides practical management tools so you can: Assess the cultural, administrative, geographic, and economic differences between regions at the industry level--and decide which ones require attention Track the implications of the specific border-crossing actions that will impact your company's ability to create value the most Generate superior performance through strategies that are optimized for the three A's: adaptation (adjusting to differences), aggregation (overcoming differences), and arbitrage (exploiting differences) Using in-depth examples, Ghemawat reveals how companies such as Cemex, Toyota, Procter & Gamble, Tata Consultancy Services, IBM, and GE Healthcare are adroitly managing cross-border differences. He also shares examples of other well-known companies that have failed at this challenge. Crucial for any business competing across borders, Redefining Global Strategy will help you make the most of our semiglobalized world.

PERSPECTIVES ON FAMILY MINISTRY

THREE VIEWS

B&H Publishing Group In *Perspectives on Family Ministry*, Timothy Paul Jones makes the case that every church is called to some form of family ministry—but what he means by "family ministry" isn't simply one more program to add to an already-packed schedule! According to Jones, the most effective family ministries involve refocusing every church process to engage parents in the process of discipling their children and to draw family members together instead of pulling them apart. Jones sets the stage with introductory chapters on the historical contexts and foundations of family ministry. Then, three effective practitioners show clearly how your church can make the transition to family ministry. Paul Renfro (pastor of discipleship at Grace Family Baptist Church in Spring, Texas) writes in favor of Family-Integrated Ministry, where the emphasis is on intergenerational discipleship. Brandon Shields (minister to high school students at Highview Baptist Church, a multi-site megachurch in Kentucky and Indiana) supports Family-Based Ministry—ministry that organizes programs according to ages and interests but also develops intentional activities and training events to bring families together. Jay Strother (minister to emerging generations at Brentwood Baptist Church in Tennessee) prefers Family-Equipping Ministry, maintaining age-organized ministry while reorganizing the congregation to call parents to become active partners in the discipleship of their children.

PAUL'S CONCEPT OF JUSTIFICATION

GOD'S GIFT OF A RIGHT RELATIONSHIP

Wipf and Stock Publishers The Greek family of words characterizing the doctrine of "justification by faith" (as it is known in English) is most prominent in the writings of the Apostle Paul. It was this doctrine that lay at the heart of the sixteenth-century Reformation; Martin Luther and his followers considered it to be at the very center of the gospel. Protestants came to understand "justification" differently from the Catholic Church they had left. Instead of the Catholic "realist" view, in which God makes a sinner righteous, they came to a "forensic" understanding, by which God, as judge, declares a sinner righteous. During the nineteenth century a third, "relational" view began to emerge: it viewed "justification" as God's gift of a right relationship to a sinner. This monograph examines Paul's concept from three perspectives: the New Testament data; the way the doctrine has developed historically; and how the doctrine has been expressed in English translations of the Scriptures. The author concludes that it is the relational view that most accurately depicts Paul's concept of "justification."
