Initially recorded by country music artist Mark Wills in 2003 on his album And the Crowd Goes Wild, it was covered by Bellefire a year later. However, the first version to be released as a single was by pop singer Jo O'Meara in 2005, from the album Relentless. Later that year, country band Rascal Flatts covered the song as well, releasing it as the first single from the 2006 album Me and My Gang, topping the U.S country and adult contemporary charts with it. German band Cascada later had international chart success with the song in 2007. Jeffrey Steele co-wrote the song with Steve Robson, with whom he also co-wrote Rascal Flatts' 2002 single "These Days." Robson presented Steele with an unfinished track, and Steele decided to come up with lyrics to finish the track. Originally, he had wanted to write a song about the loss of his father, but instead went with a more universal theme of lost love. After singing the lyrics, he decided that he liked how sad the song sounded, ... The Ballad of Songbirds and Snakes (A Hunger Games Novel) *Scholastic Inc.* Ambition will fuel him. Excerpt: "My Prerogative" is a song by American recording artist Bobby Brown from his second solo studio album, *Don't Be Cruel*. It was released on October 11, 1988 as the second single from the album. After recording sessions for the album were completed, Brown and producer Gene Griffin travelled to New York City, since he felt something was "missing" from the record. "My Prerogative" was written by Brown as a response to the criticism he received for his departure from New Edition. He explained the song was about making decisions in one's life and not caring about other people's judgment. "My Prerogative" is often considered a new jack swing anthem, and contains many elements from Teddy Riley productions. The song was positively received by critics and was nominated for a Grammy Award in the category of Best R&B Urban Contemporary Single. It was also commercially successful, reaching number one in *Billboard's* Hot 100 and Hot R&B/Hip-Hop Songs charts. "My Prerogative" also reached top ten positions in many countries, such as Ireland, New Zealand, the Netherlands and the United Kingdom. The music video for the song features Brown performing the song on stage with his band and dancers. The song was also... Dylan at 80 It used to go like that, and now it goes like this *Andrews UK Limited* 2021 marks Dylan's 80th birthday and his 60th year in the music world. It invites us to look back on his career and the multitudes that it contains. Is he a song and dance man? A political hero? A protest singer? A self-portrait artist who has yet to paint his masterpiece? Is he Shakespeare in the alley? The greatest living exponent of American music? An ironsmith? Internet radio DJ? Poet (who knows it)? Is he a spiritual and religious parking meter? Judas? The voice of a generation or a false prophet, jokerman, and thief? Dylan is all these and none. The essays in this book explore the Nobel laureate's masks, collectively reflecting upon their meaning through time, change, movement, and age. They are written by wonderful and diverse set of contributors, all here for his 80th birthday bash: celebrated Dylanologists like Michael Gray and Laura Tenschert; recording artists such as Robyn Hitchcock, Barb Jung, Amy Rigby, and Emma Swift; and 'the professors' who all like his looks: David Boucher, Anne Margaret Daniel, Ray Monk, Galen Strawson, and more. A Philosophy of Song and Singing An Introduction *Routledge* In *Philosophy of Song and Singing: An Introduction*, Jeanette Bicknell explores key aesthetic, ethical, and other philosophical questions that have not yet been thoroughly researched by philosophers, musicologists, or scientists. Issues addressed include: The relationship between the meaning of a song's words and its music The performer's role and the ensuing gender complications, social ontology, and personal identity The performer's ethical obligations to audiences, composers, lyricists, and those for whom the material holds particular significance The metaphysical status of isolated solo performances compared to the continuous singing of opera or the interrupted singing of stage and screen musicals Each chapter focuses on one major musical example and includes several shorter discussions of other selections. All have been chosen for their illustrative power and their accessibility for any interested reader and are readily available. Forever and Ever, Amen A Memoir of Music, Faith, and Braving the Storms of Life *Thomas Nelson* A riveting tale of unfathomable success great joy deep pain, and redemption that can come only from above. From a working-class background in North Carolina to a job as a cook and club singer in Nashville to his "overnight success" with his smash 1986 album *Storms of Life*--which launched the neotraditional movement in country music--Randy's first three decades are a true rags-to-riches story. But in 2009, this seemingly charmed life began a downward spiral. His marriage dissolved, he discovered that his finances had unraveled, and his struggles with anger led to alcohol abuse, public embarrassment, and even police arrest in 2012. Then, just as he was putting his life back together, Randy suffered a devastating viral cardiomyopathy that led to a massive stroke which he was not expected to survive. Yet he not only survived but also learned to walk again and, in 2016, accepted his induction into the Country Music Hall of Fame by singing the hymn that explains his life today: "Amazing Grace." Filled with never-before-told stories, *Forever and Ever, Amen* is a fascinating behind-the-scenes look at dizzying success and the miraculous road to restoration. Back to Venice *Michael Grant* Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art. Written by his daughter Carol, it follows Johnny from the outbreak of the Second World War in 1939, right up until his period of National Service from 1954-1956. It tracks the progress of Johnny, his brother Jimmy, sister Cath, Ma, Da, Aunt Julia and his four-legged friends, Punch and Judy - through the devastation of the Liverpool Blitz, their evacuation to a country farm (and the first sight of cows for the children), Johnny's school years, D-Day, first love, and the devastating tragedy that befalls the family during Johnny's time in the army. It is full of detail and colour, painting an exuberant and loving picture of working class life in Kirkdale, on the banks of the Mersey, where life was often hard and money in short supply, but where communities pulled together, family was everything and it only took a chippy dinner or a bonfire to send a small boy into paroxysms of joy. The dialect-driven dialogue creates a rich sense of place, and the characters are full of life and love, so that the untimely death of one of them at the end of the narrative is profoundly moving and tragic. Both Kokoland and America belong to planet Earth, but they are two different worlds and neither one knows about the existence of the other. Few people in my village have the slightest clue about life in America. To them the village might as well be the center of the universe. I'm one of few lucky or unlucky ones (depending on how you look at it) who happened to, miraculously, have had the opportunity to live in both worlds. It goes without saying that I can also speak with confidence that my level of confusion is unparalleled, as you will find in this book. Once, I had confused Elvis Presley (the King) for Yuri Gagarin (the Russian Astronaut). In fact, there are people in Kokoland who still believe so. What difference will that make anyway when folks still believe that the Earth is flat? The Sing-song Girls of Shanghai *Columbia University Press* Considered one of the great works of Chinese fiction, The Sing-song Girls of Shanghai is a story of desire and virtue set in the pleasure quarters of nineteenth-century Shanghai. Han

Bangqing, himself a frequent habitué of the city's notorious brothels, reveals a world populated by lonely souls who seek consolation amid the pleasures and decadence of Shanghai's demimonde. From beautiful sirens to lower-class prostitutes, from well-respected patrons to repugnant criminals, *The Sing-song Girls of Shanghai* brings the romantic games of the sing-song girls to vivid life, as well as the tragic consequences faced by those who unexpectedly fall in love with their customers. Han Bangqing also tells his story from a male point of view, revealing the danger of becoming trapped between desire and propriety. First translated in draft by the legendary Chinese writer Eileen Chang, and later revised by Eva Hung, *The Sing-song Girls of Shanghai* combines psychological realism with modernist sensibilities and is a pioneering work of Chinese fiction. *Roll Me Up and Smoke Me When I Die* Musings from the Road *Harper Collins* In *Roll Me Up and Smoke Me When I Die*, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to America's greatest traveling bard, *Roll Me Up and Smoke Me When I Die*—introduced by another favorite son of Texas, Kinky Friedman—is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come. *40 Selected Songs by Vinh Dien, Bilingual Edition* This bilingual music book contains 40 selected English & Vietnamese songs by Vinh Dien, one of the most prolific songwriters of Vietnam. He had created about a thousand songs in his passionate 60-year journey in the world of music. Several songs were composed from poems by his poet friends. Some songs, such as *Vết Thương Sỏi Đá* (Wounds of the Heart) and "Tôi Chỉ Muốn Làm Người (I Just Want To Be Human) have been performed onstage by many famous singers in the last few decades. Vinh Dien's songs cover a wide range of themes including love, war, religion, exile, homeland, dreams, self, passion, human sorrow, and life. For each song, there's a music video on YouTube. The links to access them are included in the book. Below is translated lyrics for the song, "I Just Want To Be Human". Please don't ask me, don't ask me: Why not be reincarnated as a little bird. Why not be reincarnated as tree or grass. But as a human in a crib. But as a lonely person. But as a person like me. Please don't ask me, don't ask me: Why not be born in a bustling city. Why not be born on the rich alluvial plain. Why enter the world all alone. Why enter the world in a bitter-sour land. Why enter the world in a region full of dried bones. Please don't ask me, don't ask me, don't ask me. I just want to be born a human. I just want to be born a human. Even though living in poverty my entire life. I just want to be a human, and a Vietnamese. Please don't ask me, don't ask me. I don't want to be a bird to forget misery. I don't want to be a tree to forget the bombings. Just leave me to be human with other humans. Just leave me to tell the stories to future generations. Just leave me to represent the hurts and pains. Here's the lyrics for another song, *Whence She Comes* Like the ethereal moonlight, she comes ever so softly Amidst smoke and mist, appears an enchanting beauty Gazing deep into her eyes, I see a sky of twinkling stars Her lotus feet, dancing in the sea foam, sparkle from afar Like a patch of clouds from the mountains, she silently arrives Bringing with her ancient legends since the world's first lights The Star River, the Jade Sea where she appeared Her delicate fragrance still lingers in the atmosphere She comes with an enchanted brook of music and poetry Singing exotic verses as fingers dance on the harp a Grecian melody From whence sweet voice waves resound in my subconscious To lead my soul into a Dream World of Beauty and Love Since her arrival, divine fragrance abounds in Nature A friendship, affectionate and close, like music and verse The Dream Boat's been bearer of dreams since Time's beginning In a sea of clouds, the poet's moon gently drifting... *Sing a Song for Me* *AuthorHouse* Hunger, poverty, foreclosures, drought, horrific storms, hard work (if it could be found), and disappointment were routine during the Great Depression of the 1930s. Tom Kostas, a greek immigrant, his wife, Agnes, and their four small children endured this together on their small farm in Kansas. Many people in these difficult circumstances gave up and left for California or elsewhere, searching for better lives as they escaped the hardships of the dust bowl. This is a history of those who did not, or could not, escape to supposedly better circumstances. This is a story of how the Kostas family, and others, dealt with adversity, each in their own way. Some showed great strength and kindness, while others showed selfishness and even cruelty. It is an insightful and entertaining study of human nature, of struggle, coping, endurance, and survival. The events in this book did occur; however, they were compressed into a few days for the sake of the story. People's names have been changed, but geographical information is accurate. *Sea Songs and Ballads, 1917-22* *Songs We Like to Sing* A Collection of Familiar Songs and Hymns for High Schools and Normal Schools and for Assemblies (Classic Reprint) Excerpt from *Songs We Like to Sing: A Collection of Familiar Songs and Hymns for High Schools and Normal Schools and for Assemblies* The fundamental idea underlying it has been to include only those songs which experience has shown that boys and girls of the North, South, East and West like to sing. Thus it avoids the defect common to many song collections, which contain a large amount of material that no one enjoys singing. It is confidently believed that there is no song in the book that cannot be sung and enjoyed in the average school.
