On Ugliness

Rizzoli Publications In the mold of his acclaimed *History of Beauty*, renowned cultural critic Umberto Eco's *On Ugliness* is an exploration of the monstrous and the repellant in visual culture and the arts. What is the voyeuristic impulse behind our attraction to the gruesome and the horrible? Where does the magnetic appeal of the sordid and the scandalous come from? Is ugliness also in the eye of the beholder? Eco's encyclopedic knowledge and captivating storytelling skills combine in this ingenious study of the Ugly, revealing that what we often shield ourselves from and shun in everyday life is what we're most attracted to subliminally. Topics range from Milton's Satan to Goethe's Mephistopheles; from witchcraft and medieval torture tactics to martyrs, hermits, and penitents; from lunar births and disemboweled corpses to mythic monsters and sideshow freaks; and from Decadentism and picturesque ugliness to the tacky, kitsch, and camp, and the aesthetics of excess and vice. With abundant examples of painting and sculpture ranging from ancient Greek amphorae to Bosch, Brueghel, and Goya among others, and with quotations from the most celebrated writers and philosophers of each age, this provocative discussion explores in-depth the concepts of evil, depravity, and darkness in art and literature.

Architecture, Mysticism and Myth

BookRix This classic explores the symbolism of classical architecture. A milestone in relating mysticism to design, it shows the correlation between mythology and the design of St. Paul's Cathedral, the Taj Mahal, the Palace of Versailles, and other architectural masterpieces. This delightful book describes the symbolism of real-world architecture, as well as architecture described in fiction, myth and folklore. Lethaby believed that architecture reflected the macrocosm. He speculated that many of the seemingly ornamental details of classical buildings actually represented aspects of the land, the sea and the sky. This is one of those books like the *Golden Bough* or the *White Goddess* (albeit shorter and a less challenging read) that will turn you on to the mythopoetic side of reality, no matter whether you agree with its conclusions.

Six Memos for the Next Millennium

Penguin UK Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage.

Ad Lucilium Epistulae Morales,

With an English Translation

If On A Winter's Night A Traveler

HarperCollins These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author whose bestselling novel describes a world in which the US won the War... *The Man in the High Castle* is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

The Neverending Story

Penguin Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—*The Washington Post* "A trumpet blast for the imagination."—*Sunday Times*

Trepanation

CRC Press This volume will look at the history of trepanation, the identification of skulls, the tools used to make the cranial openings, and theories as to why trepanation might have been performed many thousands of years ago.

Sicily

Art, History and Culture

Few places in the world have experienced such an intense and eventful history as Sicily. It has been rocked by revolts and power struggles and rejoiced in great splendor and freedoms. Over thousands of years this small island has been a crossroads for many peoples, religions and cultures. Its melting-pot of influences has created a unique spirit of 'Sicilian-ness'. Through the evocative photographs of Melo Minnella, *Sicily Art, History and Culture* captures the elusive spirit of Sicily, its inhabitants and its landscape. It offers a sweeping account of the island, from ancient history to the present day.

The Year 3000

A Dream

U of Nebraska Press First published in 1897, *The Year 3000* is the most daring and original work of fiction by the prominent Italian anthropologist Paolo Mantegazza. A futuristic utopian novel, the book follows two young lovers who, as they travel from Rome to the capital of the United Planetary States to celebrate their "mating union," encounter the marvels of cultural and scientific advances along the way. Intriguing in itself, *The Year 3000* is also remarkable for both its vision of the future (predicting an astonishing array of phenomena from airplanes, artificial intelligence, CAT scans, and credit cards to controversies surrounding divorce, abortion, and euthanasia) and the window it opens on fin de siècle Europe. Published here for the first time in English, this richly annotated edition features an invaluable introductory essay that interprets the intertextual and intercultural connections within and beyond Mantegazza's work. For its critical contribution to early science fiction and for its insights into the hopes, fears, and clash of values in the Western world of both Mantegazza's time and our own, this book belongs among the visionary giants of speculative literature.

Clementine Friend of the Week

Little, Brown Books for Young Readers This New York Times bestselling chapter book series has been keeping readers engaged and laughing for more than a decade with over one million copies sold! Clementine has been picked for Friend of the Week, which means she gets to be line leader, collect the milk money, and feed the fish. Even better, she'll get a Friend of the Week booklet, in which all the other third-grade kids will write why they like her. Clementine's best friend Margaret has all sorts of crazy ideas for how Clementine can prove to the class she is a good friend. Clementine has to get a great booklet, so she does everything Margaret says she should do. But what begins as one of the best weeks ever starts turning into the worst, and being a good friend might turn out harder than

Clementine thinks.

The Ocean and the Boy

Small Press United Born in Imperia in 1945, Giuseppe Conte is one of the most important and powerful voices in Italian literature today. A talented and versatile writer, he has published numerous books of poetry, novels, criticism, essays, and plays. He has received major literary prizes (including the Premio Montale) and has translated into Italian the works of Shelley, D.H. Lawrence and Walt Whitman. He has traveled extensively, has visited the United States to present his poetry, and now lives in Imperia, Italy, and in Nice, France. *The Ocean and the Boy*, Conte's first full-length book of poetry, is written in an intensely personal style, fusing myth and everyday reality. In this dual-language edition, the first English translation of a complete poetry book by Conte, the editor-translator, Italian-born poet Laura Stortoni, has included a translator's note, biographical and bibliographical data, endnotes and an introduction by Italo Calvino.

Sammlung

Oxford University Press, USA 116 poems by the great 1st century B.C. Latin poet.

Mapping Paradise

A History of Heaven on Earth

Alessandro Scafi's fascinating account looks at the perception of world geography and the place of paradise within that. Central to this discussion are the key debates, prevalent from the Renaissance, about faith and reason, theology and philosophy and paradise both as an internal and external reality.

Picasso at the Lapin Agile and Other Plays

Steve Martin is one of America's most treasured actors, having appeared in some of the most popular moves of our time. He is also an accomplished screenwriter who has in the past few years turned his hand to writing plays. The results, collected here, hilariously explore serious questions of love, happiness and the meaning of life; they are rich with equal parts of pain and slapstick humour, torment and wit.

Those Who from Afar Look Like Flies

An Anthology of Italian Poetry from Pasolini to the Present

University of Toronto Press *Those Who from Afar Look Like Flies* is an anthology of poems and essays that aims to provide an organic profile of the evolution of Italian poetry after World War II. Beginning with the birth of *Officina* and *Il Verri*, and culminating with the crisis of the mid-seventies, this tome features works by such poets as Pasolini, Pagliarani, Rosselli, Sanguineti and Zanzotto, as well as such forerunners as Villa and Cacciatore. Each section of this anthology, organized chronologically, is preceded by an introductory note and documents every stylistic or substantial change in the poetics of a group or individual. For each poet, critic, and translator a short biography and bibliography is also provided.

Stuart Goes to School

Scholastic Inc. This hilarious sequel to *Stuart's Cape* is a witty chapter book about an eight-year-old worrier's first day of school. Our favorite worrier is back, and Stuart is about to start third grade. As he makes his way to the first day of school, wearing the worst outfit ever, what could a first-rate worrier do but worry? Stuart worries about getting stuck in the boys' bathroom and about not having anything to show for show-and-tell, but most of all, about not making any friends. With his cape, though, Stuart is bound to have a day full of wacky adventures.

Finding Metaphor in Grammar and Usage

A methodological analysis of theory and research

John Benjamins Publishing Cognitive linguists have proposed that metaphor is not just a matter of language but of thought, and that metaphorical thought displays a high degree of conventionalization. In order to produce converging evidence for this theory of metaphor, a wide range of data is currently being studied with a large array of methods and techniques. Finding Metaphor in Grammar and Usage aims to map the field of this development in theory and research from a methodological perspective. It raises the question when exactly evidence for metaphor in language and thought can be said to count as converging. It also goes into the various stages of producing such evidence (conceptualization, operationalization, data collection and analysis, and interpretation). The book offers systematic discussion of eight distinct areas of metaphor research that emerge as a result of approaching metaphor as part of grammar or usage, language or thought, and symbolic structure or cognitive process.

A Little History of the World

Illustrated Edition

Yale University Press E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The English Garden at the Royal Palace of Caserta

This gem of a publication presents a historical documentation of the English Garden at the Royal Palaca of Caserta which was designed in the 1780's. Lavish full paged photographs illustrate the life of the park, the succession of the seasons and the changing vegetation, weather conditions and colours.

Explaining the Obvious

A Theory of Visual Images as Cognitive Structures

Brave New World Revisited

A Novel

Harper Collins When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

The Orphan's Tale

A Novel

MIRA Look for Pam Jenoff's new novel, *The Woman with the Blue Star*, an unforgettable story of courage and friendship during wartime. A New York Times bestseller! "Readers who enjoyed Kristin Hannah's *The Nightingale* and Sara Gruen's *Water for Elephants* will embrace this novel. " —Library Journal "Secrets, lies, treachery, and passion.... I read this novel in a headlong rush." —Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train* A powerful novel of friendship set in a traveling circus during World War II, *The Orphan's Tale* introduces two extraordinary women and their harrowing stories of sacrifice and survival. Sixteen-year-old Noa has been cast out in disgrace after becoming pregnant by a Nazi soldier and being forced to give up her baby. She lives above a small rail station, which she cleans in order to earn her keep... When Noa discovers a boxcar containing dozens of Jewish infants bound for a concentration camp, she is reminded of the child that was taken from her. And in a moment that will change the course of her life, she snatches one of the babies and flees into the snowy night. Noa finds refuge with a German circus, but she must learn the flying trapeze act so she can blend in undetected, spurning the resentment of the lead aerialist, Astrid. At first rivals, Noa and Astrid soon forge a powerful bond. But as the facade that protects them proves increasingly tenuous, Noa and Astrid must decide whether their friendship is enough to save one another—or if the secrets that burn between them will destroy everything. Don't miss Pam Jenoff's new novel, *Code Name Sapphire*, a riveting tale of bravery and resistance during World War II. Read these other sweeping epics from New York Times bestselling author Pam Jenoff: *The Woman with the Blue Star* *The Lost Girls of Paris* *The Ambassador's Daughter* *The Diplomat's Wife* *The Last Summer at Chelsea Beach* *The Kommandant's Girl* *The Winter Guest*

Medieval Callings

University of Chicago Press These essays by eleven internationally renowned historians present nuanced profiles of the major social and professional groups—the callings-of the Middle Ages. The contributors focus on attitudes of medieval men and women toward their own society. Through a variety of techniques, from a reading of the *Song of Roland* to a reading of administrative records, they identify characteristic viewpoints of members of the fighting class, the clergy, and the peasantry. Along with vivid descriptions of what life was like for warrior knights, monks, high churchmen, criminals, lepers, shepherds, and prostitutes, this innovative approach offers a valuable new perspective on the complex social dynamics of feudal Europe. "Very useful discussions of texts, both learned and literary."—Christopher Dyer, *Times Literary Supplement* Contributors: Mariateresa Fumagalli Beonio Brocchieri, Franco Cardini, Enrico Castelnuovo, Giovanni Cherubini, Bronislaw Geremek, Aron Ja. Gurevich, Christiane Klapisch-Zuber, Jacques Le Goff, Giovanni Miccoli, Jacques Rossiaud, and André Vauchez.

Rediscovering Homer

Inside the Origins of the Epic

W W Norton & Company Incorporated A literary portrait of the epic songwriter and poet traces the historical origins of the *Odyssey* and the *Iliad*, describing the culture that shaped their first-generation audiences while exploring theories about how both poems were written by a single, female poet. Reprint.
